

# DC Voters:

## Do YOU know how to vote in our Two-Winner At-Large Election?

### 1 Vote for your favorite candidate 1<sup>st</sup>

**Tip: Vote your Values, Regardless of Party**

Don't vote strategically. Vote for your **actual** favorite candidate 1<sup>st</sup> because your vote **stays** with your 1<sup>st</sup> choice until they're eliminated.

### 2 Rank your backup choices - if you have them! Only rank candidates you support.

### 3 If your 1<sup>st</sup> choice loses (comes in last place), your vote moves to your next choice.

This continues until the Top Two Candidates are elected.

The voting experience is the SAME as a wingle-winner RCV election

## Remember: 1<sup>st</sup> Ranks Matter

If a candidate gets many 2<sup>nd</sup> choice ranks, and few 1<sup>st</sup> choice ranks, they will be eliminated.

Example votes:

Consider this example: The Nationals got LOTS of 2<sup>nd</sup> choice ranks, but the fewest amount of 1<sup>st</sup> choice ranks.

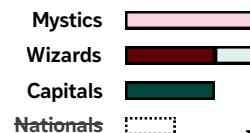

### Two-Winner TABULATION

#### Round 1:

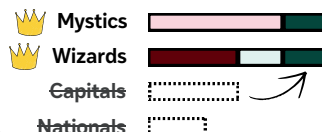

Even though the Nats had many 2<sup>nd</sup> rankings, they came in last in the 1<sup>st</sup> round, and were therefore eliminated.

#### Round 2:

Rounds run just like with Single-winner RCV, until...

#### Round 3:

...the Top 2 candidates are left standing!
