

Fall 2024 Co-op Class Descriptions

PRE-K TO 2ND (TOTS TO AGE 6)

Art for the Heart – Anissia Narcis – \$50/semester + \$10 supply fee– (PK3 to 6 yrs)

Expressing art with an understanding of artistic elements and principles to help expand our art knowledge all while having fun creating. I will be incorporating fun crafts and introducing well known artists to build our artist vocabulary. The main focus is 2D and 3D art, We'll be getting into painting and miniature sculpting. **This is a 30 minute class. Care givers must be present for students younger than 5.**

Read w/ Me - Mrs. Simone Ruiz — \$60/semester + \$10 for supplies (PK3 - 6yrs)

This class is for students who have completed the ABC's w/ You & Me or already have a full grasp of the alphabet sounds. Join me as we use stories to solidify our phonics skills. This is an interactive hands on class with singing and crafts. **This is a 30-minute class. Care givers must be present with student.**

Rhythm & Dance Class - Karina Pratt - \$50/semester — (PK3 to 5yrs)

The class will begin with a few light stretches for warm up with physical exercises and games. Each week the kids will learn a simple and fun choreography.

Goals:

This class will help kids develop rhythm, coordination and motor skills, as well as assist in the development of memory and creativity. It will also provide a way for them to exercise and help improve flexibility, balance, physical strength and endurance. **This is a 30 minute class Mommy & Me class.**

ABC's with You & Me - Mrs. Simone Ruiz — \$65/semester + \$10 for supplies (PK3 - 5yrs)

We will be understanding the phonics of the English language using stories and learning to read with sounds and sight words. This is interactive and hands on class with singing and crafts. **This is a 45-minute class. Care givers must be present with student.**

Musikgarten – Anna Rudzinski – No charge — (birth to 5yrs)

"Family Music and Movement " class incorporating early childhood movement & music as per the Musikgarten curriculum. This unique program allows participation in a fun, energetic environment while instilling a love and understanding of music in their child that also teaches life lessons including how to listen, get along with others, and preparing them to perform well in school.

This is a 30 minute Mommy & Me class.

ELEMENTARY GRADES 1 – 6

Violin (Beginning - Advance) - Jennifer Rudzinski – (K-2nd and 3rd & up) - \$130, instrument included (if either lost or broken a reasonable replacement/repair charge will incur).

This class is taught directly by a Florida Youth Orchestra conductor & the director of the South Florida HEAT Band.

We will provide:

- 1) A free musical instrument to use during the school year.
- 2) Weekly lessons with professional musicians.
- 3) At the end of the school year, we will put on a recital to show families and friends their new talent.

You provide:

- 1) Time for your child to practice their instrument at home.
- 2) A release of liability to have your child photographed and having their picture used in publicity by the Florida Youth Orchestra
- 3) A promise to be sure your child attends weekly

The student will:

- 1) Promise to practice daily
- 2) Respect fellow musicians and your instructors
- 3) Participate and not disrupt class.
- 4) Attend weekly

Art for the Heart – Anissia Narcis – \$65/semester + \$20 supply fee— (2nd - 6th grade)

Expressing art with an understanding of artistic elements and principles to help expand our art knowledge all while having fun creating. I will be incorporating fun crafts and introducing well known artists to build our artist vocabulary. The main focus is 2D and 3D art, We'll be getting into painting and miniature sculpting.

Crazy 8s Math Club - Jenny Clinch (K-2nd) & TBD (3rd-5th)—No charge* (a small supply fee may be collected mid semester)

Crazy 8s is a math club unlike any other! It offers unique, high-energy math activities that appeal to kids of all math abilities. The goal of Crazy 8s is to show that math is fun and recreational, not just compulsory, in order to change our culture and get kids to think of math as play. Crazy 8s has also been proven to reduce kids' math anxiety. Although not "schoolwork," our activities do align with the state standards and is designed to show kids that math is a really fun, recreational activity to do with friends during playtime outside of school.

A-HA! Diving Deeper (Animals-Habitats and their Anatomy) - Jayanni Martin – (2nd-6th) - \$100/semester

Engage in hands-on activities to explore the diverse world of animal's anatomy, their habitats and behaviors. Students will discover a newfound love and respect for animals and their habitats around the world. Understanding humans' negative impact all over the world will help students understand how they can increase the positive impact of the world.

UPPER ELEMENTARY/MIDDLE SCHOOL (GRADES 4TH - 8TH)

Conversational Spanish - Jiemy Russi - \$65/semester - (4th -8th) Siblings discount available

This is an introductory course in the Spanish language and culture. During this course, students will develop speaking, writing, reading, and listening skills in Spanish around topics related to the everyday life of a student. Students will learn to express and understand receptive ideas on topics such as common conversation phrases, vocabulary using numbers, calendar and weather, descriptions, and likes and dislikes.

Literary Circle - Rose Ellie - (5th grade & up) - \$65/semester

Come join us as we read and discuss some wonderful novels. Titles are selected from an array of beloved classics and modern gems. Through collaborative learning and engaging activities, we will dissect novels and identify various literary elements. We also hope to incorporate aspects of The Lost Tools of Writing Curriculum such as Analytical Task Sheets for greater analyzation.

Not only will students enjoy each session, but participation can also result in a greater desire for reading, improved reading comprehension and improved critical thinking skills/judgement. So, whether the student is an avid reader or a reluctant reader, we invite them to join us.

Budgeting - Cara Way Benjamin - (4th - 8th grade) - \$85/semester

Curriculum is still in the making but the main points will be that students will be given a set allowance/ paycheck and they will have to learn to budget out utilities, food cost, rent, savings and entertainment with what they have. I will offer bonuses for reading books and bringing in a written summary about the book. We will also have games to help them learn more about how to budget like the "act your wage" and "cashflow" games.

MIDDLE/HIGH SCHOOL CLASSES

Marine Biology: Exploring the Deep Blue - Jayanni Martin – (6th - 8/9th) - \$100/semester

Is your child intrigued with the deep blue? Let's explore aquatic animals in their environment. Through engaging lessons and experiments your child will gain knowledge and appreciation of God's creation.

The cost includes student journal and experiment supplies.

Algebra Math Lab - TBD – \$100/semester **(This is an online class and meets on Wednesdays)**

This Pre-Algebra course is an introduction to basic algebra concepts and a review of arithmetic algorithms. The course emphasizes the concepts necessary to be successful in Algebra I and II. The course helps students develop good mathematical study skills and learning strategies. Students will explore algebraic expressions and integers, solve one-step equations and inequalities, decimals and equations, factors, fractions, exponents, operations with fractions, ratios, proportions, percents, linear functions and graphing, area and volume.

Art for the Heart – Anissia Narcis – \$65/semester + \$20 supply fee— (2nd - 6th grade)

Expressing art with an understanding of artistic elements and principles to help expand our art knowledge all while having fun creating. I will be incorporating fun projects and introducing well known artists to build our artist vocabulary. The main focus is 2D and 3D art, We'll be getting into painting and miniature sculpting.

Literary Circle - Rose Ellie - (5th grade & up) - \$65/semester

STUDENT CLUBS

Chess Club – Cynthia Saintpreux - *8yrs and up*

Free

Chess club is a class where everyone can play chess, share their strategies, techniques and teach other people how to play. Everyone helps everyone. We will have 5 chess boards so lots of people can play at the same time. We please ask that maybe one day we can do a chess tournament of all ages. Mrs. Erika will be the adult present in the class, along with anyone else who would like to participate in chess.

Suggested: Chess board (optional)

Yearbook Club - TBD - *3rd and up*

Free

This club is a co-requisite for Graphic Design students, but is **open to all HHH students that meet the minimum age requirement**. Students will be tasked with creation and layout of the 2023-2024 HHH Yearbook. A timeline for each task and "job descriptions" for the different assignments the kids do will be discussed at the first meeting. This is an excellent club for building leadership and teamwork skills. Some parental assistance will be necessary (ex: transportation to cover certain events, initial help navigating yearbook software, etc...).

Supplies needed: Access to CANVA from a laptop, tablet or iPad
