HC Wolfman 306 is a unique combination of genetics, phenotype, actual performance, and EPDs. It is seldom you find a bull that's this rugged, soggy middled, and stylish and yet is also calving ease and high growth. He is impeccable on his feet and legs, freckled and heavy pigmented, and top 1% for milk. Wolfman earned a purple banner at every show he's been to, including JNHE, World Beef Expo, and NAILE. His momma is a former show heifer with a picture-perfect udder. Use Wolfman with confidence to add quality on both cows and heifers alike. Owned with Eubank Farms, IL.
