TERMS & CONDITIONS

TERMS: The terms of the sale are cash or check unless other arrangements are made with the individual owners before the sale. Each animal will be sold to the highest bidder without reservation.

BIDS: Each animal will be at the purchaser's risk as soon as sold, and can not be moved until after settlement has been made. **No animal will be released until after the sale**, unless arrangements are made with sale committee prior to sale.

CONSIGNOR'S RESPONSIBILITY: The seller is the responsible party for all representations made about the cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interests of both the buyer and the seller.

CHANGES: Changes in these conditions will be binding only when reduced to writing and signed by the seller, buyer or clerk of the sale. Verbal agreements result in misunderstanding and the above rule is made to avoid such. Any changes in breeding dates will be announced sale day. Announcements from the sale box take precedence over anything printed in this catalog. All persons attending the sale do so at their own risk, and all persons involved in presenting the sale assume no liability, legal or otherwise, for the safety of the premises, the behavior of animals or accidents that may occur.

GUARANTEE: All animals of breeding age are guaranteed breeders. Females in calf or with calf at foot are considered breeders without any further guarantee. All untried animals are guaranteed to be without known defects, but nothing further. Animals failing to breed after a reasonable trial may be returned to the farm of the seller, if in good condition. The seller reserves the right to try said animal for six months, and if it proves to be a breeder, to return it to the station of the buyer at his own expense. If the animal proves a **non-breeder, a satisfactory exchange will be made.**

The cattle offered for sale are sold under the terms and guarantee recommended by the Association with reference to health, freedom from defects, reproductive unsoundness, and freedom from specific genetic unsoundness. The recommended refunds or adjustments will be made in case animals fail to live up to the seller's guarantee.

SSR MISS VICTOR 623

BRED COW

P43717223 - Calved 4/17/2016 - Tattoo 623

SIRE: TH 122 711 719T

DAM: SSR MISS BEJAY 443

Vicki is a 719T daughter who is a quality producer. She has two sons that are long term bulls in herds. We are retaining two daughters that are full siblings to the calf she is carrying. Full pigment, dark red, size and depth with a good disposition make her one that should be in your herd. If we had room she would not be leaving. Calves unassisted, great maternal instincts and plenty of milk! Bred to our calving ease homozygous polled bull- DCF 4G GENESIS 4K. Will be preg checked by sale date. Triangle 10/Pinkeye/Bovilis 20/20 Vision 7 vaccinated and wormed.

2

KD TATERS D813 SOFIE

BRED COW

P43802233 - Calved 4/18/2017 - Tattoo 1717

SIRE: LBK KD TRUSTED SWEET TATER 28B

DAM: KD D505 BRUISERS PRECIOUS D813

Sofie's pedigree is loaded! Deep ribbed, patch eyed, dark red cow that really puts muscle and depth on her calves. Retaining her heifer from DCF 4G GENESIS 4K. Sofie is an easy calving, wide-hipped cow who calves unassisted and is a great mama with lots of milk and fantastic maternal instincts. Bred to our calving ease homozygous polled bull- DCF 4G GENESIS 4K. Will be preg checked by sale date. Triangle 10/Pinkeye/Bovilis 20/20 Vision 7 vaccinated and wormed.

3

ROCKNR 3F VICTORIA 719T 516J
BRED COW

P44256941 - Calved 5/16/2021 - Tattoo 516J

SIRE: TH 122 711 VICTOR 719T

DAM: KKR ROCKNR 407B 32B ROSIE 3F

Penny is a great place to invest your money! She is pigmented, has a great udder and excellent maternal instincts. Calves unassisted. Her calves have depth and size. Bred to our calving ease homozygous polled bull- DCF 4G GENESIS 4K, so she's carrying a full sibling to this year's heifer calf that we are retaining. Will be preg checked by sale date. Triangle 10/Pinkeye/Bovilis 20/20 Vision 7 vaccinated and wormed.

AKF DRIVEN 2509

BULL CALF

P44648252 - Calved 3/9/2025 - Tattoo 2509

SIRE: DCF 4G GENESIS 4K

DAM: NPH 3027 MS HORIZON 5C

You're going to want to pay attention to this one! Driven will be the one that's going to add muscle. He has depth, width and length like his sire, DCF 4G GENESIS 4K. His dam is wide and deep with a beautiful udder. Both his pedigree and EPDs for growth and calving ease make his potential for being a great herdsire very evident. Actual birthweight 85 pounds. Pyramid 5/Pinkeye/Bovilis 20/20 Vision 7 vaccinated and wormed.
