

# BEN MALCORE

## ABOUT ME

As a native of the Green Bay Area and a summer resident of Door County, I have a thorough knowledge of Northeast Wisconsin. With a proven track record of success from first-time homebuyers to luxury home sellers, I navigate my clients through our always changing market, while staying true to my core values: trust, integrity and stability.

Top-notch marketing and honest communications have fueled my well-designed systems and marketing plans keeping my client's home front of mind to buyers shopping in our local area. As a Forever Agent® with Berkshire Hathaway HomeServices, I have so many tools and resources available to smoothly bring your home from listing to close.

On a personal level, my wife Deanna and I have been married since 1995 and have two wonderful grown children: Alex and Sophie. We are still all making memories together with our mutual love of all things food and travel!

## MY MARKETING
