

Donor Advised Funds

The Ottawa County Community Foundation (OCCF) offers a number of giving options for individuals, families, and businesses.

Donor Advised Funds

Think of a Donor Advised Fund as a “charitable giving account” from which you may recommend grants to your favorite community organizations whenever you choose. Administrative responsibilities are handled for you, making giving simple and enjoyable.

Donor Advised Endowed Fund — \$10,000 to establish

Your gift is invested permanently to grow over time, and the principal is to remain untouched. A percentage of the fund’s market value is available, annually, for making grants.

Donor Advised Growth Fund (non-endowed) — \$25,000 to establish

You may recommend grants from both earnings and the principal, while maintaining a minimum balance of \$10,000.
