For your protection, inquire with either the city or the county regarding permit requirements before starting any work on your property involving new construction, additions, alterations, or any modifications to structural, electrical, heating, water, gas or sanitary plumbing systems. The homeowner hereby grants permission to the ARC to enter the property and make reasonable observations and inspections associated with the modification request and completion of the project. The ARC has 60 days to make a response regarding the proposed changes per the covenants of the Lakes of Old Peachtree, but generally approvals, denials and requests for more information are supplied within 5-10 days of submission.
