

Dear Friend,

Senior Hearts Rescue & Renewal is announcing our Paws for Miracles event, our 5th year celebration of saving the lives of senior dogs. The celebration will be held October 9th, 5-8pm at Shannopin Country Club.

In just 5 years, our supporters and volunteers have allowed us to save the lives of nearly **600 senior dogs** and renew them medically and surgically at an average cost of \$1000 per dog. Over 540 of these transformed senior dogs have found a high quality of life in loving furever homes.

There is great need for the work our nonprofit organization performs. Old dogs are faced with euthanasia at shelters, yes even no-kill shelters, simply because they are old or old and medically neglected. Old dogs are often brought to veterinarians to be euthanized because an elderly owner died and family or friends cannot help.

Our results in five years as a 100% volunteer organization proves that amazing work can be done when people, organizations, and businesses work together for an important cause.

Please consider sponsoring or donating to our **Paws for Miracles** event. It will not only show you and/or your business' commitment to help a significant problem, senior dogs having their lives cut short; but it will truly save the lives of old dogs. **You CAN make a difference.**

Please review the attached Sponsorship Levels. Also, items can be donated for the Paws for Miracles silent and live auctions. **We appreciate any level of your support.**

Attend the event and learn about the old dogs whose lives we save from the shelter systems, and our commitment to helping dogs in our local community through our "Home to Home" program. Share the evening with like-minded people who know they can make a difference. **Highlights of the evening will include a "Miracle Strut" with some of our amazing renewed and happily living ever after senior dogs, elegant hors d'oeuvres, and silent and live auctions.**

We look forward to building a long lasting partnership with you and your business so that many more senior dogs can have the high quality rest of life that they deserve.

Kind Regards,

Denise Pavitt, Founder and President
