

BSA Pack 300

Photo and Video Release

During Den and Pack meetings and other Scout related activities, photographs and videos of your Scout may be taken. Occasionally, we may use these photos for publications or promotion of Pack 300 meetings, den activities and events. Pack 300 maintains a private Facebook page where we post photos of our events. This page is available by invitation only, it is not a public website. The facilities we attend may also like to use Scout photos for their own publicity needs.

Your authorization is required for the use of the photos taken of your Scout.

Your authorization is required for the use of videos taken of your Scout. This authorization also includes your Scout's participation in any virtual meetings or conferences where a camera may be in use and your Scout may be viewed in a virtual setting (ex. Zoom meeting, Google Meets, etc.).

Signing this form is considered consent for BSA Pack 300 and the facilities we attend to photograph and use your Scout's photo or video in either print or web publications, promotional and recruitment materials.

This consent will stay on file for a period of one year and will need to be completed on an annual basis for the time that your Scout is involved with BSA Pack 300 and the Scout Program. If at any time during that period, you would like to change your consent please submit in writing to either the Cubmaster or Committee Chair that you no longer give consent/permission for photos and videos of your Scout to be used as stated above.

Please complete and sign the below then return this form to your Scout's Den Leader.
