**An Invitation to Support Our Temple and Continue Our Shared Journey**

Dear Sisters, Friends, Peers, and Beautiful Santa Community,

We are delighted to open a new chapter in our spiritual journey together!

Over the years, we have been honored to offer our services, teachings, guidance, and ministerial work completely free of charge. It has been a joy to share our work with you, build connections, and create a welcoming space for spiritual exploration, growth, and fellowship.

Behind the scenes, however, there has been a tremendous investment in the education, preparation, training, and continued development that make these offerings possible.

Between education, specialized training, courses, and professional development, our investment has exceeded **\$100,000**.

Because we love our church, and church-goers, we plan on investing more.

We believe what we offer is special, meaningful, and worthy of recognition. While we have always enjoyed sharing our gifts freely, we also recognize that sustaining this work requires resources, dedication, time, and financial support.

## **Introducing Temple Membership Contributions**

As we move forward with our temple worship and community services, we feel it is reasonable to begin welcoming voluntary financial contributions from those who participate.

Many religious and spiritual communities sustain their places of worship through donations, offerings, and membership contributions. We believe this is a natural and healthy way to support our own temple community.

Our ministerial work is offered through dedication, volunteer service, and the generosity of those willing to give their time and energy. We genuinely enjoy what we do, and we want to continue sharing these experiences with our girls, friends, and peers.

Our intention is not to make spirituality transactional. Rather, it is to create a sustainable foundation that allows our temple services to continue with joy, integrity, and mutual appreciation.

## **What Your Contributions Help Sustain**

Your donations will help support:

- Temple operations and upkeep.
- Continued education and spiritual development.
- Training, courses, and ministerial preparation.
  - Worship materials and service resources.
- Administrative and organizational expenses.
- The continued development of our spiritual community.

## **Moving Forward Together**

We are opening our doors to a new expression of shared responsibility and support.

We welcome donations from those who appreciate our work and wish to help sustain its continuation. Contributions are an expression of support and are appreciated at every level.

We look forward to continuing our resonance and shared experiences through:

**Mary Bellas, Star Ozirah, Stella Maris, and the Santas.**

We believe you will love what we are creating and the direction in which our temple worship is moving!

Thank you for being part of our journey, for your friendship, your energy, your trust, and your continued presence.

With love, appreciation, and excitement for our future ahead,

**Our Temple Ministry & Community**

*Freely given in spirit. Sustainably supported through community.*
