conspiracy to submit false statements to a federally insured bank, and conspiracy to conceal money laundering.

“I believe she was part of the effort to open bank accounts in completely fictitious companies’ names and make payments to individuals for reasons that were not accurate as described,” Attorney General Todd Blanche **said** Wednesday.

“This is exactly what we said would happen in a case like this,” Blanche added. “Which is that our investigators and the US attorneys and the agents working the case will keep on working it even after the initial indictment.” **(RELATED: DOJ Says Left Wing Activist Group Employee Dated Informant In Neo-Nazi Group)**

Beirich was charged in connection with the **June 2026 superseding indictment** alleging a SPLC scheme to funnel money to an informant embedded in the neo-Nazi group known as National Alliance. The informant, known as “F-9,” received approximately \$1.2 million from the SPLC.

Notably, informant “F-9” had an undisclosed romantic relationship with Beirich and allegedly shared a residence and bank account with her at the time.
