Are we witnessing Russian and “Jewish Bund,” propaganda? *This is not quite American news.*

Unfortunately, MS NOW has become hugely a propaganda machine against the safety of the American people.

While we can sympathize with any victims, we also recognize the extremism within media propaganda and it’s ability to control the narrative and harm the American people.

*The author Jacob Soboroff begins his commentary by stating we are not in a war, however, this is false. We just made it through **eight wars** and are still active in mitigating components of WW3. Unfortunately, Russian, Jewish Bund and Bolshevik or communist/socialist propaganda is an active component of those wars.*
