North American ~ Canadian ~ American

Acadian Peninsula — Maritime Canada — Northern New England

This is our heritage.

This is our culture, our society, our traditions, and our faith.

This is the land, the history, the stories, our ancestors, and our family lineage.

These are our traditions, the places we remember, and the heritage we seek to honor and protect.

This is our land, the people we love, and where we call home.

Our Roots. Our Shining Seas. Our Heritage. Our Stars. Our Home.
