“The word “Lubavitch” is the name of the town in White Russia where the movement was based for more than a century. (Russian, Israeli Movement)” -Chabad

Brooklyn, NY – Chabad-Lubavitch: This is where the mob and movement that attacked the Jewish woman is located.

What we know as fact:

- They actively participate in threat of rape against women who disagree with their politics, even other Jews. This is revenge politics, and an act of femicide, genocide, or war.
- They support animal sacrifice, in the streets, and justify it, as their will, because of the “pleasant aroma.”
- They still participate in pedophilia related circumcision practices.
- They are participating in “--ification,” of American street names.

Also recognizing, that they seem to remove the letter o, from god and the lord? Is this ancient “hollow-cost” activism?

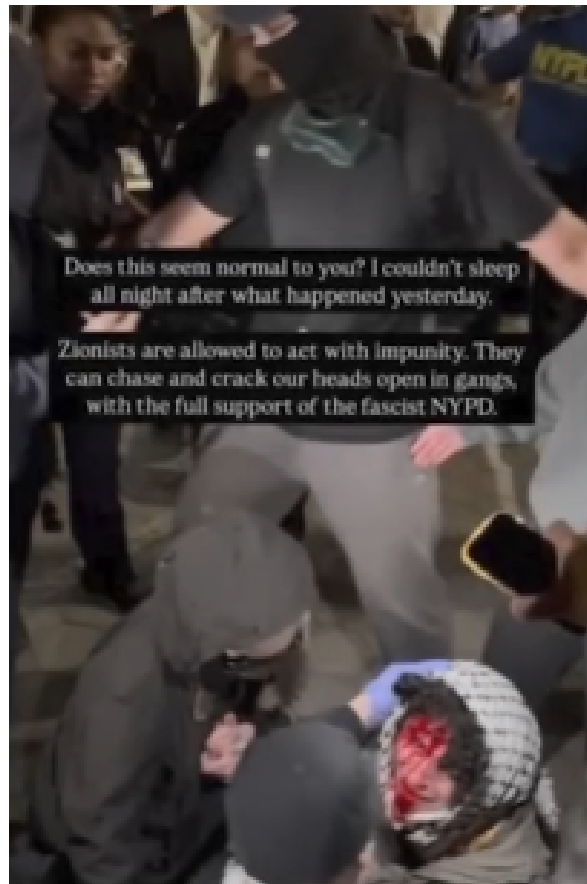

OZIRAH, well, disagrees.

→ Wouldn't it be nice if we could keep our street names, American?

→ And kept violence against women and animals off of our streets and out of our neighborhoods?

Final Understanding: Religious worship and protest in the United States protects peaceful assembly, never violence.

Let's be clear: No one is entitled to violate these laws on U.S. territory.
