- ^In ten years, there was a near 30% depression in whites in this district, thanks to Jewish politics. They shipped “cohorts.” Today, as well, these expressions of politics can be seen in real time, in places like Florida with constant changing demographics. For example the cartel/mafia comes to town and then leaves, they bring with them mass migrations. ~It’s an essence. A modern mafia~vibe, dominance rituals, a rapid-paced political movement, circular rotations, mass territory grabs. A predatory front. They’re on their phone, they’re in their hats, they are traveling independently, but they are, “together.” It’s not quite, “American.” Quite Anti-American, actually.
- ~ The Jewish Flip ~ Move out whites, move in (by the busses, containers or box trucks) B, H, or Foreigners. Increase rent, and then J Flip; Move in. And there you have it ~hostile instrumental migrations. It’s hurtful. ***It’s warfare.***
