

Prayer for Spiritual Career Guidance

Divine Light,

I open my heart and mind to Your guidance.

Show me the path that aligns my gifts with service,
where my work is not only livelihood but offering.

Clear away fear, confusion, and doubt,
and let my visions become clear like day and the morning sun.

Help me see the steps before me,
trusting that each moment unfolds in perfect timing.

May my career be success,
and also, an expression of love, truth, and purpose.

So may it be.

- Say inwardly:

"I will recognize the signs when they appear."

- Bring your awareness back to your breath.
- Thank Spirit (or whichever name you honor) for the guidance already on its way.
- Open your eyes slowly, carrying a sense of peace.
