

Modern Language, Hostile Barriers

Reflection of Modern Language, Hostile Barriers:

Calling whites Nazis for sticking up for themselves and their culture during trials of cultural erasure or suppression is a form of anti white discrimination, social suppression, social disorder and dehumanization.

People of all backgrounds have the right to defend their culture, heritage, identity, and communities without automatically being labeled hostile nomenclatures. Discussions about race, history, demographics, and social conflict should remain respectful, historically accurate, and free from hatred toward any group.

Constructive dialogue requires equal standards for everyone, including the rejection of racism, discrimination, intimidation, and collective blame regardless of race or ethnicity.

RACISM NAZI!
BIGOT!
SUPPRESS!
SILENCE!

CALLING WHITES NAZIS FOR STICKING UP FOR THEMSELVES AND THEIR CULTURE DURING TRIALS OF CULTURAL ERASURE OR SUPPRESSION IS A FORM OF ANTI WHITE DISCRIMINATION, SOCIAL SUPPRESSION, SOCIAL DISORDER AND DEHUMANIZATION.

PEOPLE OF ALL BACKGROUNDS HAVE THE RIGHT TO DEFEND THEIR CULTURE, HERITAGE, IDENTITY, AND COMMUNITIES WITHOUT AUTOMATICALLY BEING LABELED EXTREMISTS.

DISCUSSIONS ABOUT RACE, HISTORY, DEMOGRAPHICS, AND SOCIAL CONFLICT SHOULD REMAIN RESPECTFUL, HISTORICALLY ACCURATE, AND FREE FROM HATRED TOWARD ANY GROUP.

CONSTRUCTIVE DIALOGUE REQUIRES EQUAL STANDARDS FOR EVERYONE, INCLUDING THE REJECTION OF RACISM, DISCRIMINATION, INTIMIDATION, AND COLLECTIVE BLAME REGARDLESS OF RACE OR ETHNICITY.

EQUAL DIGNITY. MUTUAL RESPECT. SHARED HUMANITY.
UNITED WE STAND. DIVIDED WE FALL.
