## **4. The Lansing River Trail Deaths**

*The deaths of several men in the Lansing, Michigan, area have prompted questions about possible connections between cases. Their identities, the number of victims, and any suspected links must be verified through official police statements before being included as confirmed facts. A shared racial motive should not be inferred without evidence.*

*What happened? — The men killed in the Lansing River Trail cases.*

*What happened? — Their families, who deserve answers and accountability.*

## **5. Group Attacks, Mob Violence, and Assaults**

*What happened? — Federal agents assaulted during immigration-enforcement operations in Broadview, Illinois, in 2025.*

*What happened? — Federal employees assaulted outside federal facilities in Chicago.*

*What happened? — Federal agents allegedly struck by vehicles during immigration-enforcement operations in Chicago in 2025.*

*What happened? — The victims of group assaults and mob violence whose names have not yet been verified through reliable reporting.*

*What happened? — The people injured during politically motivated confrontations and public demonstrations.*

*What happened? — The victims of attacks where investigators have not established a racial motive.*

## ***A Call for Accountability***

*Every victim deserves recognition. Every family deserves answers. Every documented murder, attempted killing, racially motivated assault, group attack, and trafficking case deserves a serious investigation and an accurate public record.*
