

Compare and Contrast

Clan: Strong social loyalty

Gang: An organized group participating in criminal activity

Terrorist Organization: Intimidation and threats of political, ideological, or religious violence against a population

There is no doubt that the modern “Democratic nation” has become a dangerous and terroristic clan that supports anti-White American hate and genocide.

They are not coming to our rescue, they want to see Whites hurt.

→ **Where is the accountability for modern atrocities and crimes against humanity committed by activists on the left?**

→ Instead of teaching DEI, decolonization, forced global assimilation, Islam, and White race replacement, teach **national security issues, heritage, culture, and mental health awareness** in classrooms.

DEI Crimes (Rhymes with die): Whites should never be forced and mandated to learn why they do not belong. In places where their families were centuries upon centuries born. This is the worst of the worst of humanity and *evil* historical wrongs.
