

Organizations with explicit current abolition campaigns

- Free Speech For People — runs a national “Abolish ICE” campaign calling for Congress to end immigration detention, and support the MELT ICE Act.  Free Speech For ...
- Abolishing ICE coalition — its current campaign promotes the MELT ICE Act and lists numerous organizational endorsers, including American Friends Service Committee, Bend the Arc,

White Americans are the ARC they seek to bend. They are a genocidal movement against historical American White communities. They are actively supporting population replacement and mass instrumental migration campaigns. They are seeking dominance and supremacy. These campaigns are by design. They are an anti White and anti American holocaust. They are committing atrocities and crimes against humanity via instrumentation. They want to release violent criminals into your communities. These criminals target unsuspecting and vulnerable Americans. It is a form of modern warfare.
