Casebook

Reactionary Naziism: “Your blameshift.”

Horrified by activists who have behaved like monsters, and who have irresponsibly and blindly caused war fatigue and war attrition to our beautiful country. More people have died by communism, than by naziism, but the two horrible ideologies can certainly compare. Proud veteran, grateful for the United States military and those in honorable service. Great parade. During a border invasion and stateside war, all others can cease actions and take a knee.
