

War on Americans — Concord, N.H.

Acadian, Pembroke Region

Please deport all who suffer Americans! End the political takeover of our beautiful, historic communities and population! Foreign war on the US! We are closed for foreign business!

***WE ARE ACADIANS ABOARD THE PEMBROKE: THIS IS
GRAND DÉRANGEMENT 2.0!***

“Ali Sekou, president of Concord’s IQRA Islamic Society, was elected Ward 8 city councilor and was due to be sworn in; the society is also suing to challenge approvals for a 30-unit North Main Street housing project.”

***2003–2018: They are moving in and will COMPLETELY
REPLACE our cherished, loved, and historic churches.***

***GOD SAYS NO. THIS COMMUNITY, ITS BUILDINGS,
ARCHITECTURE, AND CULTURE WERE BUILT BY OUR
ANCESTORS, FOR OUR FAMILIES, NOT OUTSIDERS WHO
SEEK TO RADICALLY CHANGE IT SO THEY CAN FEEL
MORE COMFORTABLE IN A FOREIGN NATION.***

IQRA:

*Mosque built in our church was important. Homelessness doubled.
New apartment building? Foreign Islamic Society sues Concordians.*

They are a foreign realm and political regime.

*They brought “refugees” in, and local homelessness doubled. Why
would a housing unit be a problem? Are they the solution? I don’t
think so.*

They are killing our soul and forcing us to assimilate. Foreign communism. Crimes against humanity.

UK and Europe suffer also!

“Are the journalists American? Here, we have Bolshevik campaigns, Mexican and cartel campaigns, and far-left and foreign campaigns.”

1903 — Bolshevik Party → Statue of Liberty → Emma Lazarus →
Today: *“It’s a movement that never stopped. It always took from Americans, sabotaged Americans, and actively worked to replace our culture, values, and people. They took revenge, simply because. They want fewer White people (Bend the Arc), and they want it all.”*

Now we are facing components of WW3.

“War of Three Blind Mice (Russia, Mexico, China) — Foreign Mass Replacement, Poison and Stolen Heart”

US

It isn’t a gentle war. Our population demographics have shifted dramatically.
