O Z I R A H's Baby
Water, Sun, Diamond Water
Daughter, D for Diamond Ocean, Waughter, Daughter
Son, Sun, Sol, Sun plus Soul, Son
Water+Soul+Sun, equals OZIRAH's Baby
Daughter, Son

The diamonds we see over the ocean remind us of our God and Goddess.
Ozira's Baby
Is Woman, Man, or Sea People with Soul, Sun, and Water, in perfect harmony
with Heaven.

O Z I R A H is not O S I R A M.
O S I R A M is O Z I R A H without Soul, only man, without truth, twisted,
like a snake.

A man without Soul is a man without both Water and Sun.
Without Water, the Sea People become angry, violent, and hostile.
The Serpent Spirit RAM, Lucifer SATAN 🐍, is the angel that fell from heaven.
Lucifer SATAN, Serpent or Twisted Bad Atom, is the snake man that eats the
light of others.

He takes Eve and tries to turn her into EVIL.
But the love of God is earned, the diamonds of God's eyes turned toward the
heavens.

God's army watches, the sun dial, and she is equal, like moon, never less than.
They work together to show us Everlasting Time.

The story says Eve came from Adam's rib but that is not true.
Adam, Add a man, is an addition to Eve, also not less than her.
Both are creations of water and sun, moon or womb, God, Mother Goddess, and
Great Spirit.

The RAM, Lucifer SATAN, in the image of both man and Satan, twists their
truth and their lives to represent great evil.

We use RAM, just as we use a snake, to show what man may become without the
balance of God, Goddess, Sun, Moon, Water, Spirit, and Soul, dominating,
hostile, twisting, opposite of what is true, beautiful, and heavenly.
Adam's and Eve's, or Sea People, must work with Sun, Water, God, Goddess, and
Great Spirit to restore Soul.

The RAM, Lucifer SATAN, can have Soul, but not in the form of Satan.

Satan is RAMS without Soul.

This is the story of creation through OZIRAHISM.
