

BlamesovJF+ / OvSky War — DSA

[Same Political-Corruption Network]

1. End the era of political exploitation and misuse of taxpayer funds.
2. End foreign capture and corrupt influence involving Arab, Israeli, Jewish, Soviet, or other foreign political interests in American politics.

Key Concerns Identified in the Source

- Socialist and communist ideological influences
- Revolutionary Marxist factions
- Political extremism
- Controversies involving terrorism
- Historical connections to Trotskyist movements
- Historical discussions involving Stalinism and Soviet communism
- Contacts or relationships involving organizations linked to the Chinese Communist Party
- Policies pose a threat to the American way of life.
- Modern Cold War ideological conflicts, including the Third Red Scare, proxy warfare, and hybrid warfare.
- Movements "piggyback" on mainstream political movements, including the Democratic Party, to advance objectives.
- Halprin, Rockefeller, Schiff, Megan Romer, Ashik Siddique, Rashida Tlaib, Zohran Mamdani
- New American Movement, Democratic Socialist Organizing Committee, New Left

Proposed Action

→ New acts, legislation, and stronger transparency regarding foreign influence, nonprofit accountability, campaign finance, and taxpayer protection measures should be considered.

→ End anti-statism, foreign nation-building, and ideologically violent Soviet-era communist movements.
