E-2023-00824	Hoffman, Marcelo	-	any records about or with reference to the French philosopher Michel Foucault, whose name often appears in official documents as Paul Michel Foucault. The Department of State Virtual Reading Room already has one document with reference to Foucault. It is a telegram written by the US General Consul in Sao Paulo, Frederic Chapin, to the US Embassy in Brasilia on November 4, 1975. The case number of the document is "F-2013-12397." I am writing to find out if there are any other Department of State documents with reference to Foucault that originated in the US Embassy in Paris, France and/or from the US Consulate in Sao Paulo, Brazil during the early 1970s. Foucault visited the United States in March 1970 and March and April 1972. I would be especially interested in any documents from the US Embassy in Paris with reference to him during those periods. I would also be interested in any additional documents with reference to Foucault from the US consulate in Sao Paulo, Brazil. He left Brazil for New York City in mid-November 1975.	10/24/2022	-

F-2023-02467	Davies, Jack	Radio Free Asia	provide any State Department records mentioning the investigation by U.S. authorities of Cambodian Forestry Administration officials Keo Omaliss (Omaliss Keo) and Kry Masphal (Masphal Kry) for their alleged involvement in wildlife smuggling. Please also include any records relating to the arrest of Kry Masphal in New York. I anticipate relevant records will include emails, cables, letters, reports and explainers. However, there may be other types of records that also mention these events. I anticipate there will be correspondence between the State Department and the Cambodian government, as well as internal correspondence and correspondence between the State Department and other branches of the U.S. government. I believe these records will likely be held by: - Office of the Legal Adviser for Law Enforcement and Intelligence - Office of East Asia and Pacific Affairs (L/EAP) - U.S. Embassy in Phnom Penh - Office of the Chief of Protocol - Office of Foreign Missions I believe records relevant to this request exist because the Department of Justice and U.S. Fish & Wildlife Service carried out an investigation spanning several years leading to the indictment of Keo Omaliss and Kry Masphal with a large chunk of that investigation relating to activities in Cambodia, for which liaison and collaboration with the State Department would have been necessary. Because the investigation culminated in the arrest of a Cambodian official and the indictment of another, there will almost certainly have been correspondence between the State Department and the Cambodian government / embassy about the case. Also, because the Cambodian embassy has offered to waive its diplomatic immunity in support of Kry Masphal's bail application, I believe there will have been correspondence between the State Department and other U.S. government departments on	12/06/2022	07/24/2023
