

DSA Terrorism

DSA is a modern war and terrorism organization and should be labeled as such. We are unsure why these campaigns have been allowed to thrive, but it is clear that they are terrorizing the American people and are “red with bloodthirst” to go to war against the USA. Sadly, many involved have been led astray.

We support:

- The *Bill to Amend the Communist Control Act of 1954 to Provide That the Democratic Socialists of America Shall Be Treated Like the Communist Party of the United States of America, and for Other Purposes*, referred to the Committee on the Judiciary. H.R. 10501 (IH) — *Communist Control Act of 2026*.
- The proposal to authorize dedicated domestic terrorism offices within the Department of Homeland Security, the Department of Justice, and the Federal Bureau of Investigation to analyze and monitor domestic terrorist activity and require the federal government to take steps to prevent domestic terrorism. S. 2457 (IS) — *Domestic Terrorism Prevention Act of 2025*.
