29. End Fossil Fuels → Take Hot Showers, Live in the North, Drive Cars, Use Gasoline to Light Them on Fire
30. Equal Rights Now → Just Not for White Males, Even If They Are Minorities
31. Every Voice Matters → Except People Who Disagree
32. Act Up → Destroy Property
33. All Power to the People → Which People?
34. No Kings → Currently Holding "Supremacy"
35. Protect Public Education → Protect Only Left-Wing Education
36. Build Bridges, Not Walls → Burn Churches
37. When We Vote, We Win → Employ Noncitizens to Steal American Votes
38. Every Voice Deserves to Be Heard → Shadow Ban, Suppress, Report, Use a Megaphone to Drown Them Out, Shut Them Down, Whatever It Takes
39. We Rise Together → We Also Fall Together (Though We Are Separating From Extremists, Terrorists, and Civil Warfarists, Clearly)
40. Black Power → Never, Ever, Ever White Power, Just Black Power, Even If It's the Global Majority and Includes All Other Races Under the Sun and Places White Lives in Jeopardy of Nearing Extinction.
