The Four Peaces of OZIRAH

Reaching upward from Sea to Sky

1. Protection

Protect All Within God's Kingdom

Guard all life—animals, waters and lands.

"The Earth is not owned;
it is entrusted."

2. Peace

Maintain Peace Within and Around Us

"Calm the mind and heart,
Create harmony in our world."

3. Preservation

Preserve Nature, Life, History, and Truth

Honor our earth and our heritage,
"What is preserved remains alive."

4. Progress

Evolve, Adapt, Change for the Highest Good

Grow with wisdom and compassion,
"Rise to our most heavenly good."

The Sacred Ascent

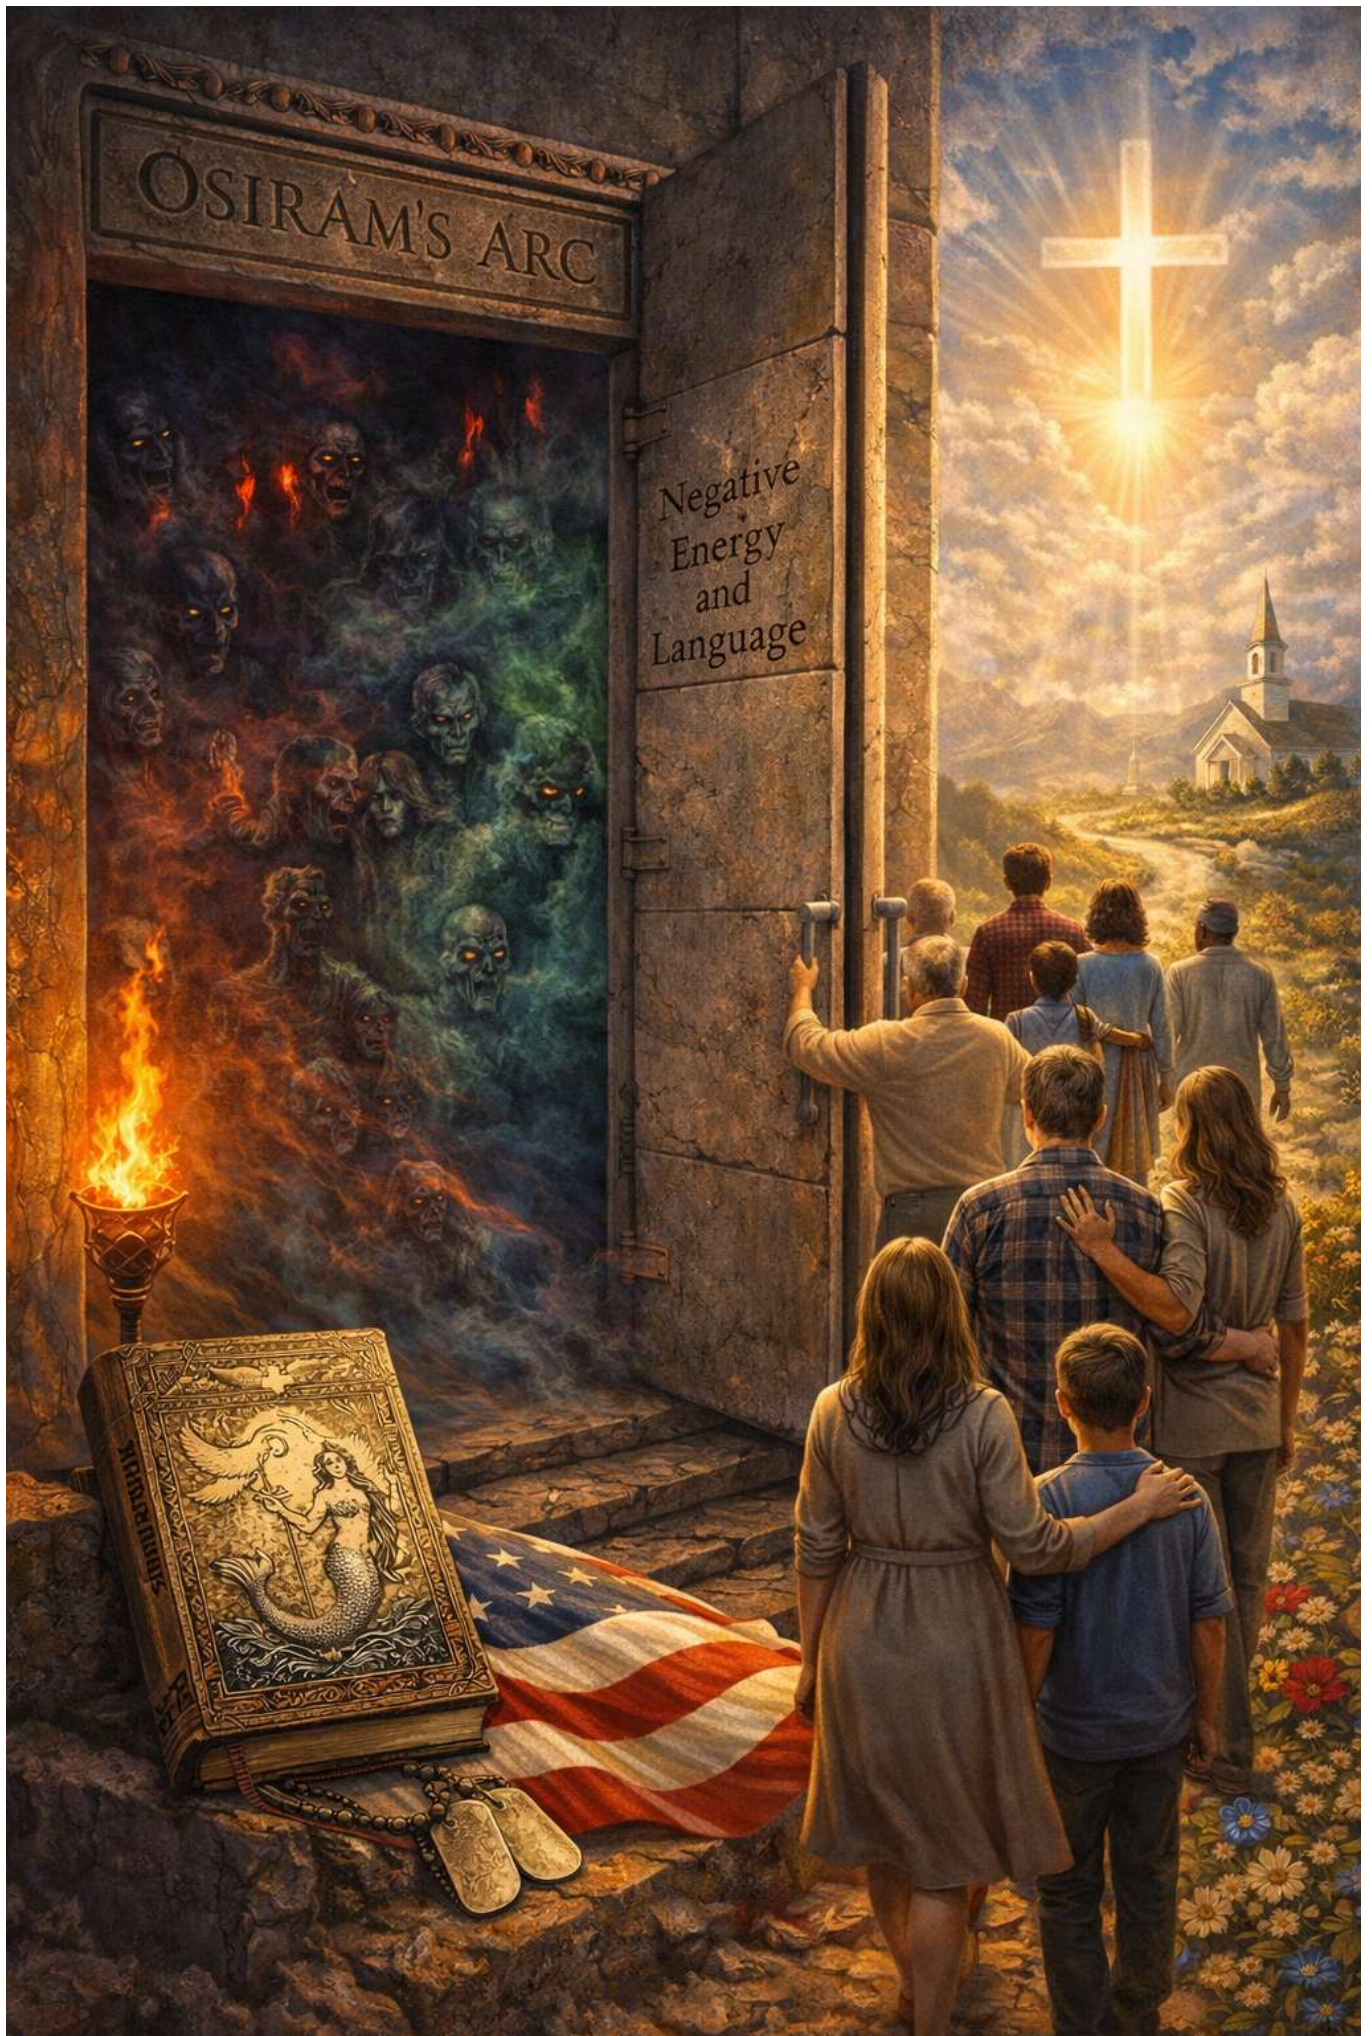

From Sea to Sky

*From the ocean's depths to the heavens' light,
"We rise from the sea to the sky."*

Under OZIRAH, we choose:

Protection • Peace • Preservation • Progress

May all beings be held in harmony.

VS

OSIRAM's Energy

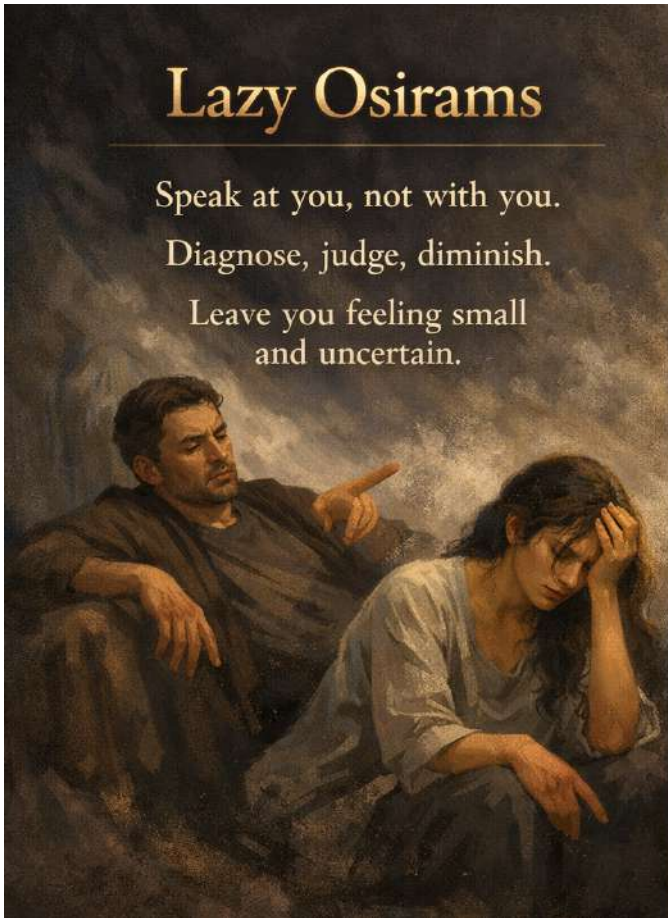

Intrudes, puts us down,
depletes our confidence,
harms our psyche
one-sided, pushes into us,
not consensual &
rarely wise or respectful

OZIRAH's Energy

bows out of humility,
respect and gentleness
nurturing, cool -
offering space yet warm
and heartfelt
mutual, consensual, & shared

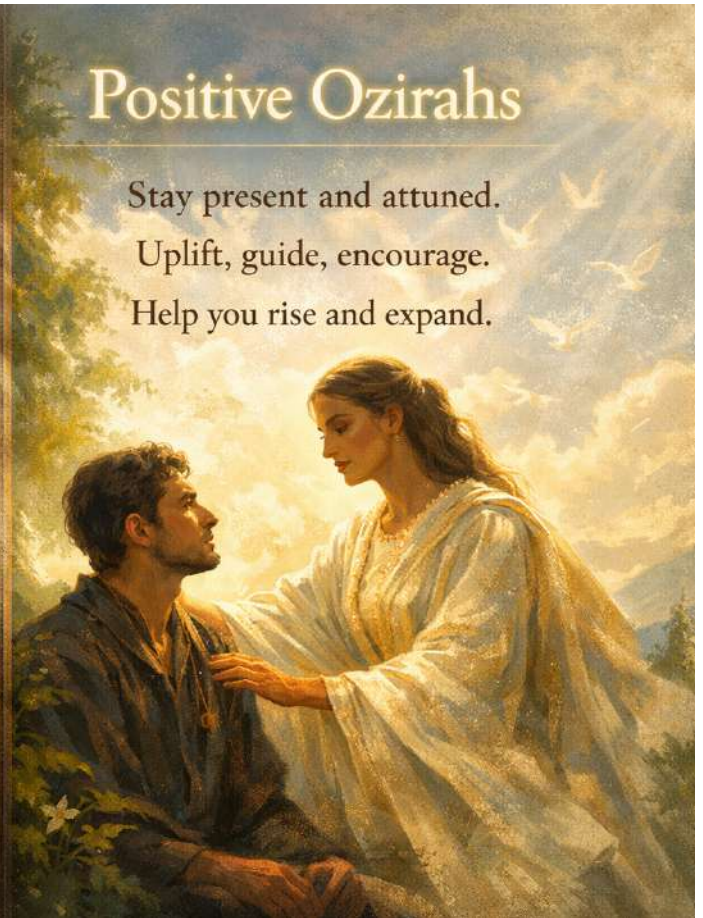

Lazy Osirams

Speak at you, not with you.
Diagnose, judge, diminish.
Leave you feeling small
and uncertain.

Positive Ozirahs

Stay present and attuned.
Uplift, guide, encourage.
Help you rise and expand.

OZIRAH'S ARC

*A man is never a number, but a human being.
A lover is never a box, but a soul.
Experiences in lifetimes, not counted, but enjoyed.*

We tried to get rid of him, but we couldn't
so, we put him on a leash.
So anyways.
