

Prayer of Blessing for Those Who Serve

Leader: Holy God, today we lift up all who live by the vow of service.

All: Bless them, O Lord, and keep them in Your care.

Leader: For our military members, past and present, who have faced danger to defend freedom—

All: We give thanks for their courage and honor their sacrifice.

Leader: For our police officers and first responders, who daily place themselves between danger and safety—

All: We ask Your protection over their bodies, minds, and spirits.

Leader: For our veterans, who carry both the pride and the burdens of service—

All: We pray for their healing, their strength, and their peace.

Leader: For those in the Peace Corps, AmeriCorps, and every volunteer who labors to build up humanity—

All: We thank You for their compassion, their vision, and their hope.

Leader: May every act of service be met with grace. May every sacrifice be honored with care. May every servant find rest in Your love.

All: And may we, too, walk in service—humbly, faithfully, and joyfully.

Leader: In Christ's name we pray.

All: Amen.
