# Vegan Churches Are Out There! Here's Where You Can Find Them

[Share](#)[Tweet](#)

Going to the vegan chapel, and we're gonna eat be-e-e-  
rries ...

OK, that was bad. But you *can* go to an all-vegan chapel! More and more Christians are realizing that loving God means loving *all* of His creation—which means being kind to animals. (*The Daniel Plan*, anyone?) Vegan churches and pastors are out there, and the list is growing. Our friends at [All-Creatures.org](https://all-creatures.org) did the legwork and compiled a directory, and they're letting PETA LAMBS share the information with our members.

So whether you're searching for a new place to worship, you want to meet more like-minded people, you'd like to pick up some fresh ideas to make your home church more animal-friendly, or you actually *are* planning to get ma-a-a-ried, here are the vegan churches and pastors in the U.S.
