

Homeland Defense Movement

Team USA–New England and Team Acadia–Canada

Mission

To strengthen the safety, resilience, and preparedness of North America through cooperation, public service, emergency readiness, and support for the lawful defense of our communities.

Core Principles

- Protect our communities.
- Support first responders, veterans, and public servants.
- Promote emergency preparedness.
- Strengthen border and Arctic resilience.
- Encourage cybersecurity awareness.
- Build strong, resilient local communities.
- Foster cooperation between democratic allies.
- Uphold the rule of law and constitutional government.

Areas of Focus

- Disaster preparedness and recovery
- Search and rescue support
- Wildfire and flood resilience
- Community emergency response
- Critical infrastructure awareness
- Cybersecurity education
- Border and maritime awareness
- Arctic preparedness
- Veteran service
- Youth leadership and civic education

North American Cooperation

The United States and Canada already cooperate extensively through longstanding defense institutions. The binational North American Aerospace Defense Command, known as NORAD, is responsible for aerospace warning, aerospace control, and maritime warning for North America. United States Northern Command also works with Canada and other partners on homeland defense planning and civil support.

We Are The North Star Homeland Defenders

Values

- Service
- Integrity

- Preparedness
- Resilience
- Courage
- Cooperation
- Respect
- Duty
- Freedom
- Stewardship

US Teaches: Boundaries & Borders!

Vision Statement

We believe that strong communities create strong nations. By encouraging preparedness, volunteerism, emergency readiness, and cooperation among our North American neighbors, we seek to promote peace, resilience, and security while respecting the laws, sovereignty, and democratic institutions of both the United States and Canada.

Community and Educational Purpose

The Homeland Defense Movement is an educational initiative focused on lawful public service. Its activities may include preparedness education, disaster-response training, community resilience, veteran support, youth leadership, cybersecurity awareness, and partnerships with public-safety organizations.

The movement works with governmental, military, law-enforcement, and emergency-response authorities. It supports communities through education, volunteerism, lawful civic participation, and cooperation with established institutions.

Together, Team USA–New England and Team Acadia–Canada represent a shared commitment to protecting our heritage, supporting our communities, strengthening North American resilience, and serving beneath the guiding light of the North Star.
