

Janet Mills, **2019**

Maine: Janet Mills — **Democrat**. She has served as governor since January **2019** and is term-limited.

Maine's U.S. House representatives, there are currently two:

District	Representative	Party	Most recent election
ME-01	Chellie Pingree	Democrat	November 5, 2024
ME-02	Jared Golden	Democrat	November 5, 2024

Both were elected to their current terms in the **2024 general election**. The House confirms Pingree as the current representative for District 1, and Golden's office confirms he continues to serve District 2.

Important for 2026

There is a significant change coming: **Jared Golden announced that he will not seek reelection in 2026**. Maine's 2nd District is therefore an **open seat** this year.

The **2026 general election is November 3, 2026**, so Golden remains the representative until the current term ends and his successor is elected/sworn in.
