

A Poem for OSIRAM's Energy

From OZIRAH, God

I STAND

I HOLD

We say no to OSIRAM's entitlement.

We do not operate under entitled assumptions.

Entitled statements exceed my domain and my autonomy.

I STAND.

My timeline is STAND.

I am REAL.

I reserve experiential authority.

REAL.

I move under VEIL, not external narration.

That is outside my IOD.

Military Alignment

We are holding territory.

We hold a defensive posture.

We harness personal domain integrity.

OSIRAMS enters the spirit without consent,
often hate mapping personal domain.

Place clear boundaries and borders
around body, mind, and soul.

They ASSUME
to smear, to defame, to twist.

For them, it is OSIRAM spiritual politics.
For unsuspecting victims, it is their soul.
