Casebook

“An invasion is a military offensive where one entity aggressively enters the territory of another, often to establish control or achieve other objectives.”

Perspective:

“The largest military invasion in history was Operation Barbarossa, the German invasion of the Soviet Union, which began on June 22, 1941. This invasion involved approximately 3.8 million troops.”

“In the last five years, there have been 6.5 million encounters at the U.S.-Mexico border. Of those, 2.5 million people were released into the U.S.”
