30. Government institutions openly characterize Americans as a group that requires control.

4. Economic Pressure

- 31. Americans lose employment because of their identity.
- 32. Americans are excluded from economic opportunities because they are American.
- 33. American-owned businesses are selectively targeted.
- 34. American property is confiscated or destroyed.
- 35. Americans are subjected to discriminatory financial restrictions.
- 36. American workers are systematically displaced because of their identity.
- 37. Americans experience organized economic boycotts based on group identity.
- 38. American families are deliberately pushed into financial insecurity.
- 39. Americans are prevented from rebuilding economically.
- 40. Economic policies are deliberately used to weaken American communities.

5. Cultural Displacement

- 41. American traditions are deliberately suppressed.
- 42. American cultural institutions are dismantled.
- 43. American historical monuments or sites are systematically destroyed.
- 44. American symbols are prohibited solely because they represent American identity.
- 45. American holidays or traditions are targeted for elimination.
- 46. American cultural practices are treated as illegitimate.
- 47. American communities are pressured to abandon their cultural identity.
- 48. American history is removed from institutions.
- 49. American cultural organizations are prevented from operating.
- 50. Efforts are made to permanently replace rather than coexist with American culture.

6. Education and Information

- 51. American students are treated differently because of their identity.
- 52. American history is deliberately falsified.
- 53. Americans are denied access to information about their own history.
- 54. Educational institutions portray Americans as inherently inferior.
- 55. American students are collectively blamed for historical events.
- 56. Americans are discouraged from expressing their national identity.
- 57. American viewpoints are systematically excluded from educational discussion.
- 58. Propaganda is used to encourage hostility toward Americans.
- 59. Media organizations repeatedly portray Americans as a dangerous collective.
- 60. Information about persecution of Americans is deliberately suppressed.

7. Social Isolation

- 61. Americans are encouraged to distrust one another.
- 62. Americans are encouraged to abandon their communities.

- 63.American families are socially stigmatized.
- 64.American neighborhoods are deliberately destabilized.
- 65.Americans are discouraged from associating with other Americans.
- 66.American community organizations are weakened.
- 67.American religious or cultural communities are targeted.
- 68.Americans are publicly shamed for expressing national identity.
- 69.American traditions are treated as socially unacceptable.
- 70.Americans are pressured to deny or conceal their identity.

8. Propaganda and Information Warfare

- 71.Americans are repeatedly described as a collective enemy.
- 72.Dehumanizing language is used against Americans.
- 73.False accusations are deliberately spread about Americans.
- 74.Americans are collectively portrayed as violent.
- 75.Americans are collectively portrayed as unintelligent or inferior.
- 76.Americans are blamed for events they did not cause.
- 77.Propaganda encourages hostility toward American civilians.
- 78.Political propaganda is presented as factual reporting.
- 79.S smear campaigns target American individuals or organizations.
- 80.Information campaigns attempt to turn Americans against one another.

9. Coercion and Physical Persecution

- 81.Americans are threatened because of their identity.
- 82.Americans are physically attacked because they are American.
- 83.American homes are intentionally attacked.
- 84.American businesses are intentionally destroyed.
- 85.American community centers are attacked.
- 86.Americans are forcibly removed from their homes.
- 87.Americans are arbitrarily detained.
- 88.Americans are subjected to torture or severe abuse.
- 89.Americans are killed because of their identity.
- 90.Violence against Americans becomes organized or systematic.

10. Destruction and Intent

- 91.Attacks specifically target American civilians rather than military combatants.
- 92.American families are deliberately targeted.
- 93.American children are targeted because they belong to American families.
- 94.American community leaders are deliberately eliminated.
- 95.American cultural institutions are deliberately destroyed.
- 96.Efforts are made to prevent American communities from rebuilding.
- 97.Perpetrators coordinate actions across multiple institutions.
- 98.Evidence of systematic targeting is documented.

99. Authorities or organizations express an intention to eliminate Americans as a group.
100. **There is documented intent to destroy Americans, in whole or in part, as a protected group.**

Expanded List, 500

500 Indicators for Examining Systematic Persecution (Holocaust) of Americans

1. American Identity and Targeting

- 104.Americans are fired because of national identity.
- 105.Americans are excluded from professional organizations.
- 106.American workers are subjected to discriminatory hiring standards.
- 107.American workers are denied training opportunities.
- 108.American employees are subjected to hostile workplace treatment.
- 109.Americans are discouraged from applying for certain jobs.
- 110.American workers are collectively stereotyped by employers.
- 111.American employees are punished for expressing American identity.
- 112.American workers are denied professional advancement.
- 113.American-owned companies are excluded from contracts.
- 114.American professionals are denied licenses without legitimate cause.
- 115.Americans are subjected to identity-based workplace surveillance.
- 116.American workers face organized harassment.
- 117.American employees are threatened with termination for peaceful expression.
- 118.American workers are excluded from professional networks.
- 119.American businesses are pressured to discriminate against Americans.
- 120.Employment discrimination becomes systematic across institutions.

7. Housing and Displacement

- 121.Americans are denied housing because they are American.
- 122.Americans are charged different housing costs because of identity.
- 123.American families are denied rental opportunities.
- 124.American homeowners face discriminatory treatment.
- 125.Americans are forced out of particular neighborhoods.
- 126.American property is seized without lawful justification.
- 127.American homes are vandalized.
- 128.American neighborhoods are deliberately destabilized.
- 129.Americans are denied access to housing assistance.
- 130.American families are displaced through discriminatory policies.

- 131.Americans are prevented from purchasing property.
- 132.American tenants face selective eviction.
- 133.American communities are deliberately fragmented.
- 134.Americans are pressured to abandon their homes.
- 135.American property rights are selectively ignored.
- 136.American families are denied relocation assistance.
- 137.American neighborhoods are subjected to unequal public investment.
- 138.Americans are denied equal protection from property crimes.
- 139.Forced displacement becomes organized.
- 140.Authorities knowingly permit systematic displacement of Americans.

8. Education

- 141.American students are treated differently because of identity.
- 142.American students are denied equal educational opportunities.
- 143.American history is deliberately falsified.
- 144.American students are collectively blamed for historical events.
- 145.American students are discouraged from expressing national identity.
- 146.American viewpoints are systematically excluded from classrooms.
- 147.American students are subjected to identity-based harassment.
- 148.American students are punished differently for similar conduct.
- 149.American history is removed from educational programs.
- 150.American cultural contributions are deliberately erased.
- 151.American students are denied access to scholarships because of identity.
- 152.American student organizations are selectively restricted.
- 153.American students are excluded from campus activities.
- 154.American teachers are punished for teaching American history.
- 155.American educational institutions are deliberately weakened.
- 156.American students are pressured to reject their identity.
- 157.American students are portrayed as collectively privileged or dangerous.
- 158.American students are denied equal representation.

160.Educational institutions systematically marginalize American students.

9. Media and Propaganda

161.Americans are repeatedly portrayed as a collective enemy.

162.Dehumanizing language is used against Americans.

163.False accusations are deliberately spread about Americans.

164.Americans are collectively portrayed as violent.

165.Americans are collectively portrayed as unintelligent.

166.Americans are collectively portrayed as inferior.

167.Americans are blamed for events they did not cause.

168.Propaganda encourages hostility toward Americans.

169.Media organizations repeatedly stereotype Americans.

170.American individuals are targeted by smear campaigns.

171.American communities are portrayed as dangerous.

172.Positive stories about Americans are systematically excluded.

173.Negative stories about Americans receive disproportionate attention.

174.Americans are denied meaningful opportunities to respond to accusations.

175.American political views are misrepresented.

176.American history is selectively presented.

177.American cultural practices are deliberately mocked.

178.False information is used to justify restrictions on Americans.

179.Propaganda encourages discrimination against Americans.

180.Media messaging moves from stereotyping toward incitement.

10. Information Warfare

181.False information is deliberately distributed about Americans.

182.Coordinated information campaigns target Americans.

183.American communities are subjected to disinformation.

184.Fake accounts are used to influence Americans.

185.American organizations are impersonated online.

- 186.False accusations are amplified through social media.
- 187.American individuals are subjected to coordinated online attacks.
- 188.Private information about Americans is maliciously distributed.
- 189.American political groups are targeted with disinformation.
- 190.American communities are deliberately divided.
- 191.Foreign information operations target American communities.
- 192.Information campaigns encourage Americans to distrust one another.
- 193.Propaganda is disguised as independent reporting.
- 194.False narratives are repeated across multiple platforms.
- 195.American institutions are deliberately portrayed as illegitimate.
- 196.Information is manipulated to provoke hostility toward Americans.
- 197.American activists are subjected to coordinated misinformation.
- 198.Information campaigns attempt to suppress American participation.
- 199.Information warfare is used alongside political pressure.
- 200.Information warfare contributes directly to physical or institutional persecution.

11. Cultural Suppression

- 201.American traditions are deliberately suppressed.
- 202.American cultural institutions are dismantled.
- 203.American historical monuments are systematically destroyed.
- 204.American symbols are prohibited because they represent American identity.
- 205.American holidays are deliberately suppressed.
- 206.American cultural practices are treated as illegitimate.
- 207.American communities are pressured to abandon cultural traditions.
- 208.American history is removed from public institutions.
- 209.American cultural organizations are prevented from operating.
- 210.American art is censored because of identity.
- 211.American music is suppressed because of identity.
- 212.American literature is removed because of identity.
- 213.American historical records are destroyed.

- 214.American cultural sites are deliberately damaged.
- 215.American traditions are portrayed as inherently dangerous.
- 216.American cultural celebrations are prohibited.
- 217.American community gatherings are restricted.
- 218.American cultural leaders are targeted.
- 219.American cultural education is eliminated.
- 220.Efforts are made to permanently erase American cultural identity.

12. Religious and Community Institutions

- 221.American churches or religious institutions are targeted.
- 222.American community centers are attacked.
- 223.American charitable organizations are restricted.
- 224.American cultural associations are denied access to facilities.
- 225.American religious gatherings are selectively prohibited.
- 226.American community leaders are threatened.
- 227.American organizations are subjected to surveillance.
- 228.American charities are denied funding.
- 229.American community institutions are vandalized.
- 230.American religious property is destroyed.
- 231.American organizations are denied legal recognition.
- 232.American community events are selectively prohibited.
- 233.American institutions face discriminatory inspections.
- 234.American organizations are subjected to coordinated harassment.
- 235.American community leaders are smeared publicly.
- 236.American organizations are pressured to dissolve.
- 237.American community institutions lose access to public resources.
- 238.American religious organizations are treated differently from comparable groups.
- 239.Community institutions are systematically weakened.
- 240.Destruction of institutions contributes to the breakdown of American communities.

13. Family and Children

- 241.American families are collectively stigmatized.
- 242.American parents are portrayed as harmful because of identity.
- 243.American children are treated differently because of family identity.
- 244.American children are subjected to identity-based harassment.
- 245.American parents are excluded from important decisions concerning their children.
- 246.American families face discriminatory housing policies.
- 247.American families face discriminatory employment policies.
- 248.American children are denied equal educational opportunities.
- 249.American families are separated through coercive measures.
- 250.American children are targeted because they belong to American families.
- 251.American parents are threatened because of political expression.
- 252.American family traditions are deliberately suppressed.
- 253.American parents are pressured to conceal their identity.
- 254.American children are taught that their families are inherently harmful.
- 255.American family businesses are selectively targeted.
- 256.American families are denied access to community resources.
- 257.American families are subjected to organized harassment.
- 258.American parents face disproportionate government scrutiny.
- 259.American family networks are deliberately weakened.
- 260.Policies specifically undermine the continuity of American families.

14. Social Isolation

- 261.Americans are encouraged to distrust one another.
- 262.Americans are encouraged to abandon their communities.
- 263.American families are socially stigmatized.
- 264.American neighborhoods are deliberately destabilized.
- 265.Americans are discouraged from associating with other Americans.
- 266.American community organizations are weakened.
- 267.American religious communities are targeted.

- 268.Americans are publicly shamed for expressing national identity.
- 269.American traditions are treated as socially unacceptable.
- 270.Americans are pressured to deny their identity.
- 271.American friendships are disrupted through intimidation.
- 272.American social organizations are denied public participation.
- 273.Americans are excluded from community activities.
- 274.American families are isolated from support networks.
- 275.American communities are portrayed as morally inferior.
- 276.Americans are discouraged from forming new community organizations.
- 277.American community leaders are isolated.
- 278.American neighborhoods lose social cohesion.
- 279.Social hostility toward Americans becomes normalized.
- 280.Isolation contributes to broader persecution.

15. Surveillance and Privacy

- 281.Americans are monitored because of their identity.
- 282.American political organizations are subjected to surveillance.
- 283.American community leaders are monitored.
- 284.Americans are placed on discriminatory watchlists.
- 285.American communications are monitored without adequate justification.
- 286.American organizations are infiltrated.
- 287.Americans are subjected to disproportionate searches.
- 288.American activists are tracked.
- 289.American journalists are monitored.
- 290.American religious communities are surveilled.
- 291.American political meetings are monitored.
- 292.American databases are created based on identity.
- 293.Americans are tracked because of lawful political activity.
- 294.Personal information about Americans is collected improperly.
- 295.Surveillance information is shared to intimidate Americans.

- 296.Private information is used against Americans.
- 297.Surveillance is used to discourage political participation.
- 298.Americans are punished based on improperly obtained information.
- 299.Surveillance expands beyond legitimate security purposes.
- 300.Surveillance becomes part of a broader system of repression.

16. Political Intimidation

- 301.Americans are threatened for peaceful political activity.
- 302.American political candidates receive threats.
- 303.American voters are intimidated.
- 304.American activists are followed.
- 305.American protesters are threatened.
- 306.American organizations are threatened with closure.
- 307.Americans are threatened with loss of employment.
- 308.American families are threatened because of political participation.
- 309.American homes are targeted because of political beliefs.
- 310.American businesses are threatened because of political beliefs.
- 311.American organizations are subjected to intimidation campaigns.
- 312.American leaders are threatened with violence.
- 313.American political gatherings are disrupted.
- 314.Americans are discouraged from attending political meetings.
- 315.Political opponents encourage harassment of Americans.
- 316.American political speech is met with organized intimidation.
- 317.Americans are pressured into political silence.
- 318.Threats are coordinated across multiple individuals.
- 319.Authorities fail to protect Americans from political intimidation.
- 320.Political intimidation becomes systematic.

17. Censorship and Speech

- 321.Americans are prohibited from expressing lawful opinions.
- 322.American speakers are selectively censored.

- 323.American journalists are silenced.
- 324.American political organizations are censored.
- 325.American publications are removed.
- 326.American websites are blocked.
- 327.American social-media accounts are selectively restricted.
- 328.American organizations lose access to communication platforms.
- 329.Americans are punished for peaceful criticism.
- 330.American historical discussions are prohibited.
- 331.American political symbols are censored.
- 332.American cultural expression is restricted.
- 333.Americans are prevented from organizing peacefully.
- 334.American speakers face unequal standards.
- 335.Americans are threatened with punishment for lawful speech.
- 336.Censorship disproportionately affects American communities.
- 337.Information about discrimination against Americans is suppressed.
- 338.Americans cannot publicly challenge accusations against them.
- 339.Censorship prevents documentation of persecution.
- 340.Speech restrictions become part of a broader system of repression.

18. Organized Harassment

- 341.Americans are subjected to coordinated harassment.
- 342.Multiple people target the same American individual.
- 343.American families are subjected to repeated harassment.
- 344.American organizations receive coordinated threats.
- 345.American businesses receive organized harassment.
- 346.Americans are subjected to repeated online attacks.
- 347.Americans are followed or intimidated.
- 348.American property is repeatedly vandalized.
- 349.American community leaders are repeatedly targeted.
- 350.Harassment campaigns spread across multiple platforms.

- 351.False allegations are repeatedly circulated.
- 352.American individuals are deliberately humiliated.
- 353.American organizations are subjected to smear campaigns.
- 354.Harassment is coordinated across geographic locations.
- 355.Harassment is used to force Americans out of communities.
- 356.Harassment is used to suppress political participation.
- 357.Authorities knowingly allow repeated harassment.
- 358.Harassment escalates over time.
- 359.Organized harassment is combined with economic pressure.
- 360.Organized harassment is combined with physical threats.

19. Property Destruction

- 361.American homes are vandalized.
- 362.American businesses are vandalized.
- 363.American vehicles are intentionally damaged.
- 364.American community centers are damaged.
- 365.American churches are damaged.
- 366.American monuments are destroyed.
- 367.American historical sites are damaged.
- 368.American property is burned.
- 369.American property is repeatedly targeted.
- 370.Property crimes against Americans are ignored.
- 371.American property owners are threatened.
- 372.Americans are forced to abandon damaged property.
- 373.American businesses are destroyed because of identity.
- 374.American community facilities are deliberately damaged.
- 375.Property destruction is coordinated.
- 376.Property destruction accompanies political intimidation.
- 377.Property destruction accompanies physical violence.
- 378.Authorities fail to protect targeted property.

379.Property destruction causes large-scale displacement.

380.Destruction of property contributes to destruction of community life.

20. Physical Violence

381.Americans are physically attacked because they are American.

382.American homes are attacked.

383.American businesses are attacked.

384.American community centers are attacked.

385.American religious institutions are attacked.

386.American political gatherings are attacked.

387.American protesters are physically assaulted.

388.American journalists are physically attacked.

389.American activists are physically attacked.

390.American families are threatened with violence.

391.American children are targeted for violence.

392.American community leaders are attacked.

393.American property owners are assaulted.

394.Americans are subjected to organized attacks.

395.Americans are injured because of identity.

396.Americans are killed because of identity.

397.Violence is repeated across multiple locations.

398.Violence is coordinated between perpetrators.

399.Authorities knowingly fail to protect Americans.

400.Physical violence becomes systematic rather than isolated.

21. Forced Displacement

401.Americans are forced from their homes.

402.Americans are expelled from particular communities.

403.American neighborhoods are emptied through coercion.

404.Americans are threatened until they leave.

405.American property is seized after displacement.

- 406.Americans are denied the ability to return.
- 407.American families are separated during displacement.
- 408.American businesses are destroyed before displacement.
- 409.American community institutions are destroyed before displacement.
- 410.Americans are transported against their will.
- 411.Americans are confined to restricted areas.
- 412.Americans are prevented from moving freely.
- 413.Americans are denied safe places to relocate.
- 414.Displacement is organized by authorities.
- 415.Displacement is organized by non-state groups.
- 416.Property is redistributed after Americans are removed.
- 417.American communities are deliberately fragmented.
- 418.Displacement occurs across multiple locations.
- 419.Displacement becomes a method of demographic transformation.
- 420.Displacement is accompanied by violence or threats.

22. Detention and Coercion

- 421.Americans are detained because of identity.
- 422.Americans are detained without ordinary legal protections.
- 423.Americans are arrested for peaceful expression.
- 424.American political activists are detained.
- 425.American community leaders are detained.
- 426.American families are separated through detention.
- 427.Americans are held in poor conditions.
- 428.Americans are denied adequate legal representation.
- 429.Americans are denied medical care while detained.
- 430.Americans are subjected to physical abuse in detention.
- 431.Americans are subjected to psychological abuse.
- 432.Americans are threatened during interrogation.
- 433.Americans are forced to confess to offenses they did not commit.

- 434.Americans are detained for extended periods without due process.
- 435.American detainees disappear from ordinary legal systems.
- 436.Detention facilities are used to intimidate broader communities.
- 437.Detention becomes widespread.
- 438.Detention becomes coordinated.
- 439.Authorities conceal detention practices.
- 440.Detention becomes part of a broader persecution campaign.

23. Organized and Systematic Violence

- 441.Violence against Americans is coordinated.
- 442.Multiple organizations participate in attacks.
- 443.Attacks occur in multiple locations.
- 444.Attacks follow a recognizable pattern.
- 445.Victims are selected because they are American.
- 446.American civilians are deliberately targeted.
- 447.American families are deliberately targeted.
- 448.American community leaders are deliberately targeted.
- 449.American institutions are deliberately targeted.
- 450.Attacks continue over an extended period.
- 451.Perpetrators share information about targets.
- 452.Perpetrators coordinate transportation.
- 453.Perpetrators coordinate weapons or other resources.
- 454.Authorities provide assistance to perpetrators.
- 455.Authorities knowingly permit attacks.
- 456.Authorities fail to investigate systematic attacks.
- 457.Violence is accompanied by propaganda.
- 458.Violence is accompanied by displacement.
- 459.Violence is accompanied by economic destruction.
- 460.Violence becomes part of an organized campaign against Americans.

24. Evidence of Coordination and Intent

- 461. Written plans identify Americans as targets.
- 462. Leaders publicly identify Americans as targets.
- 463. Organizations establish policies directed against Americans.
- 464. Internal communications reveal coordinated targeting.
- 465. Multiple institutions act in coordination.
- 466. Perpetrators share lists of American targets.
- 467. Resources are specifically allocated for targeting Americans.
- 468. Government agencies coordinate discriminatory actions.
- 469. Non-state organizations coordinate attacks.
- 470. Propaganda and physical attacks occur together.
- 471. Economic restrictions and political repression occur together.
- 472. Displacement and property confiscation occur together.
- 473. Detention and political repression occur together.
- 474. Authorities know about the pattern of persecution.
- 475. Authorities deliberately refuse to intervene.
- 476. Officials encourage persecution.
- 477. Officials praise attacks against Americans.
- 478. Perpetrators openly discuss eliminating American communities.
- 479. Evidence shows that persecution is deliberate rather than accidental.
- 480. Evidence establishes a sustained policy directed against Americans.

25. Highest-Threshold Indicators: Crimes Against Humanity, Genocide, and Holocaust-Level Analysis

- 481. Attacks against Americans are widespread.
- 482. Attacks against Americans are systematic.
- 483. Large numbers of civilians are deliberately targeted.
- 484. The attacks are part of an organized policy.
- 485. Persecution occurs across multiple communities.
- 486. Murder is committed against civilians because of group identity.

487. Deportation or forcible transfer occurs.
488. Imprisonment or severe deprivation of liberty occurs.
489. Torture is systematically used.
490. Severe physical or psychological abuse is widespread.
491. A protected group is clearly identified.
492. Perpetrators deliberately target members of that group.
493. Evidence demonstrates an organized campaign to destroy the group.
494. Members of the group are deliberately killed in substantial numbers.
495. Children are deliberately targeted because they belong to the group.
496. Measures are deliberately imposed to prevent the group from continuing to exist.
497. Perpetrators demonstrate an intent to destroy the group, in whole or in part.
498. Evidence establishes that destruction—not merely political control, discrimination, or displacement—is the objective.
499. Independent historical or legal evidence corroborates the pattern.
500. **There is compelling evidence that Americans, as a protected national group, are being deliberately subjected to acts intended to destroy the group, in whole or in part.**
