

America — blackmailed, manipulated, defamed, smeared, robbed, forced, stolen from, alienated, denied its history, tortured, lit on fire, “dismantled,” replaced, divided, bombed, verbally and physically assaulted, gunned down, distorted, cold-warred.

Meanwhile...

Real Headlines. Real World.

“Shoot the Boer, kill the Boer, kill the farmer.”

White farmers killed.

The Left claims the song is about “*anti-apartheid*.”

Malema Continued: “Don’t be afraid to kill,” and “killing is a revolutionary act.”

Others:

“Death to America.”

“Marg bar Amrika.”

“Merciless retaliation against the U.S. aggressors.”

“The U.S. is a cancer-like entity threatening global peace.”

“Declaration of war against the Americans occupying the land of the Two Holy Places.”

“We will burn America.”

“Strike the crusaders in their own lands.”

“Calls for attacks against American ‘disbelievers.’”

“Empire.”

“Imperialist aggressor.”

“Jihad against America.”

“The Great Satan.”

“Enemy of Islam.”

“Empire in collapse.”

“The declining American empire.”

“The sworn enemy of the Korean people.”

“The U.S. is the root of global instability.”

“Yankee imperialists.”

“Merciless retaliation against the U.S.”

“Strike the crusaders.”

“America will burn.”

“Kill the disbelieving Americans.”

“Defeat the U.S. occupiers.”

“The U.S. is the head of disbelief.”

“Target the coalition nations.”

“America is the enemy of Muslims.”
“Destroy the American empire.”
“Retaliation in their own lands.”
“Declaration of war against Americans.”
“Fight the far enemy.”
“Target American interests worldwide.”
“America is the head of global corruption.”
“Expel the Americans.”
“America must pay the price.”
“Strike at the American enemy.”
“Jihad against America.”
“Resistance against the Americans.”
“The collapse of American power.”
“America is the source of corruption.”
“American tyranny.”
“The U.S. supports oppression.”
“Confronting American dominance.”
“American containment strategy.”
“U.S. destabilizes the Asia-Pacific.”
“American interference worldwide.”
“The devil came here yesterday.” (UN speech reference.)
“The empire threatens Latin America.”
“American capitalism destroys nations.”
“American interventionism.”
“Resistance to U.S. domination.”
“The collapse of the empire.”
“Down with U.S. imperialism.”
“Boycott America.”

Across state media, militant publications, and protest movements globally, hundreds of recurring hostile phrases follow predictable rhetorical patterns: imperial framing, moral demonization, dehumanization, collective blame, and eliminationist language.

We witnessed an explosion of hate speech and “verbal terrorism.”
