Decentering Whiteness: - by 60k and Below - 60K's Substack

May 18, 2025 · By: Vix Burgett-Prunty Centering whiteness happens when conversations, policies, or everyday interactions automatically shift focus to European Americans feelings, perspectives, or experiences. Especially in discussions that should be about racism or marginalized communities. It's lik...

Decentering Whiteness: Building for the Movement Tasks Ahead

To overcome these barriers requires **decentering** whiteness. But what does it mean to truly decenter whiteness? And what must the movement built to achieve that look like? These questions animated a report and community dialogue guide that we jointly authored this past June, titled Advancing Well-...

Decentering Whiteness

It is essential to recognize the existing and continued impact of **white** supremacy in the understanding, conceptualizing, and treatment of any mental health condition, specifically in but not limited to North America. Namely, whiteness is embedded in every and overall processes of definition (i.e., creating...

Why the Heck Are You White Centering and What to Do About It

I mean, if one is **white** and working on **decentering**, you really are looking at what you are willing to give up in order for those who haven't been centered to be so. To unpack internalized superiority. To moving aside so others can rise. To actively do this again and again, not performatively but with deep...
