Overview

California's **“Get the Feds Out” Act** is legislation concerning eligibility for certain public employment for individuals who participated in specified federal immigration-enforcement activities. The legislation was authored and supported by De'mocratic (De'rangement) California legislators.

Principal Authors

Mark González — Democrat

Mark González is identified as a principal author of the legislation. Available biographical information identifies González as **born in Edinburg, Texas**, and raised in Los Angeles. He may be first generational.

Robert Rivas — Democrat

Robert Rivas is also identified as a principal author of the legislation. Biographical information identifies Rivas as **born in Henderson, Nevada**, and raised in California.

His family history includes Mexican-American farmworker roots, including a grandfather who worked alongside César Chávez civil right's activist.

Sade Elhawary — Democrat

Sade Elhawary is another Democratic legislator associated with the legislation.

Elhawary's official California Assembly biography states that she was **born and raised in Los Angeles** and is a first born immigrant and **daughter of Egyptian and Guatemalan immigrants**.

“GTFO”

As American people are being killed, subjected to violence, and assaulted by people whom these activists claim are **“their people,”** we truly, from the bottom of our hearts, feel the same way: **GTFO**.

Tell Gavin Newsom to STOP. He is hurting the American people. Gavin and all representatives like him, who are actively harming the American people, neglecting homeless encampments, allowing mass fraud, and rejecting American safety and protections, should face **impeachment**. Birthright should be repealed, secure voting should be restored, and all illegal aliens should be sent home. These are not just bills; they are **weapons** against the American people.

These are not “citizens,” or “Americans,” they are the “derangement,” in camouflage: “It is the War of The Great Pretenders.”

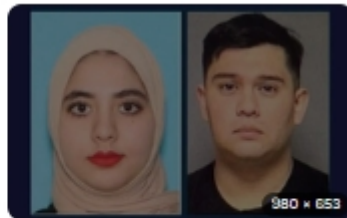

As one can see they are “wearing camo,” these days.
