When you support it, you become "it."

MIRAC is an all-volunteer, grassroots, multiracial, and multinational immigrant rights [mass-movement organization](#). MIRAC fights for legalization for all, an end to immigration raids and deportations, an [end to all anti-immigrant laws](#), and full equality in all areas of life.

2026 MIRAC Campaign: The People of Minnesota Demand a Sanctuary State NOW!

Unidentified federal agents and bounty hunters continue to kidnap our neighbors and sow terror across the state — and we now face heightened danger from local agencies cooperating with ICE. WE SAY NO MORE!

Communities across Minnesota are demanding legislation to make us a sanctuary state, and we stand firmly in support of these efforts — but WE CANNOT WAIT.

We need protections now, and Governor Walz has the power to make it happen. Walz can protect Minnesota immigrants through an executive order, following the lead of governors in Massachusetts and New Jersey. We are tired of leaders who refuse to take action.

We demand that the Governor:

- Ban 287(g) agreements and all collaboration between local agencies and ICE
- Ban immigration enforcement agencies in and around schools, hospitals, and houses of worship
- Ban immigration enforcement agencies from using state property
- Ban face coverings and require visible ID for all law enforcement officers
- Defend anti-ICE protestors against political repression
- Provide justice for victims of ICE terror
- Implement a statewide eviction moratorium

We expect every single gubernatorial candidate to endorse these demands, and they will be hearing from us until they do. **ICE out of Minnesota — no compromises!**

→ The Movement Is The Reality!

Sad reality, and one that brave Americans are fighting everyday.
