Call For 2026 Fundraiser Ideas and Input

Cincinnati, Ohio, December 4, 2025

Our financial team along with our activities coordinator have decided that along with the several ideas that we currently have in house, we wanted to reach out to our friends and neighbors to hear more about what they would love to see in a fundraiser. We understand that times may be difficult for many and that you may be using your hard-earned finances to find things that will support your day-to-day lives.

That is why we are reaching out to you to learn more about what our community would be interested in seeing in a fundraiser. Popcorn, candy, silent auctions, cutlery for your home, along with so many other options are out there, and we want to know your thoughts!

If you have something you would like to see made into a fundraiser event, please contact us via Facebook, Instagram, or by filling out the contact form on our website.
