

## YOUTH GROUP

Blessings and Peace to you from the youth group:

October was a little sluggish for meeting in person due to other activities. But we are going strong. We had a wonderful Fall Festival and had a ton of volunteers. Thank you to everyone that helped out to make this a huge success. We had a steady flow of kids and families that came through.

Starting soon: Youth for kids that are in elementary school. I am hoping for November as a start date. Elementary kids would only meet 1-2 times per month.

At our last meeting on October 23rd, we noticed the blessing box at church was running low on food. We stocked some food in the box for the community. Keaton was not at the meeting so he isn't pictured. Hope to get some more pictures soon of them doing things for the church and of them fellowshiping together.

It's so good to see the youth working together. They are having fun and hanging out with their church friends. Samuel is a Junior at HCAM in Hickory, Hayden is a Freshman at Foard, and Keaton goes to Riverbend Middle.

The youth group has been given authorization by the property committee and the Church Council to construct a Gaga Pit. I am researching kits for the brackets and instructions on how to build one and the wood and other materials that may be needed to build one. I have spoke with William Farnsworth and he is looking forward to constructing this project. Also the best news about this is that we have an anonymous donor that has contributed to have this built.

We are planning to have a Halloween Party at the next meeting. We are also planning on having a trunk/table set up to hand out prizes that were left from the Fall Festival and to hand out candy.

Thank you all for your support as we have embarked on this journey, I am enjoying working with the youth and getting to know them.
