

VoBAN[®]

AROMATIC ABSORBENT

Since 1942, VoBAN[®] has been the go-to granular absorbent solution to clean and neutralize spills like vomit, bodily fluids, beverages, and more. Sprinkle VoBAN[®] over the spill and allow time for absorption and neutralization of the odor. Then, sweep or vacuum the material for easy cleanup. VoBAN[®] is used in educational, healthcare, hospitality, industrial, and public settings.
