

VoBAN®

AROMATIC ABSORBENT SYSTEM INSTRUCTIONS FOR USE

VoBAN® simplifies cleanup by turning liquids into a solid material that can be easily swept up & disposed of while leaving no slippery residue. Cleaning professionals use VoBAN® to efficiently clean up spills, prevent slip-and-fall accidents, & maintain a clean & safe environment so they can quickly return to business as usual.

Step 1: Pour VoBAN® over the spill.

Step 2: Allow time for absorption & odor neutralization.

Step 3: Sweep away for easy cleanup.

If using on carpet, remove promptly once absorbed & vacuum as needed.
