

VoBAN[®]

AROMATIC ABSORBENT

INSTRUCTIONS FOR USE

Since 1942, VoBAN[®] has been the go-to granular absorbent to clean and neutralize spills like vomit, bodily fluids, oil, beverages, and more. Spilled liquids are unpleasant to clean up and a serious slip-and-fall hazard. Cleaning professionals utilize VoBAN[®] to respond quickly to spill accidents, maintain a clean and safe environment, and return to business as usual.

Step 1: Sprinkle VoBAN[®] over the spill

Scan the QR code to see our demo video!

Step 2: Allow time for absorption and odor neutralization

Step 3: Sweep away for easy cleanup
