AFS SHOWCASE PLAYERS

AFS has a holistic view of supporting players to play in Asia. Various types of talented players often go overlooked and are unable to sign a contract due to lack of opportunity in their careers.

AFS bridges the gap from the player to the scout/team. Not all participants will sign contracts thorough are events but several players will. Once these players are playing consistently and develop a profile, AFS will continue to support the player to potentially sign a contract in a higher league with a ladder effect. Contact us to register.
