

HOME EXPERIENCE

'to develop a better player, we must educate and develop the person'

FTIFA Home Experience

FTIFA team of UEFA qualified professional coaches are dedicated to creating the ultimate coaching experience for visiting teams.

Teams will receive a coaching programme/session based around our academy philosophy where we aim to improve every player to their maximum potential and offer coaching in all aspects of the game.

To ensure all players learn, progress and ultimately enjoy, our team of coaches will create sessions that will identify areas for improvement to benefit and aid players' and team's development.

All training sessions will take place at our 1st Team & Academy Training Complex PoolFoot Farm or partner complex Rossall School

We can also provide strength and conditioning sessions to help your team & players meet the physical demands of professional football. During your time at Fleetwood Town International Football Academy , we can educate participants on a wide range of seminars such as:

- Mental Preparation to Perform
- Diet and Nutrition
- Professionalism
- Goal setting
- Motivation

Facilities

Players will train alongside the FTFC 1st team, development and academy teams. The £10 million facilities were opened by the legendary former Manchester United manager Sir Alex Ferguson in April 2016 & feature the following:
