AZ Alkmaar Football Experience

Depending on availability, the AZ Alkmaar Football Experience will be organised at the AFAS Stadium or the AFAS Training Facilities. Both venues are perfect to experience your day as a professional footballplayer at AZ Alkmaar.

AFAS Stadium

The facilities at the AFAS Stadium create a perfect matchday experience. The venue, which can hold up to 17.023 people on a matchday, has been the centre of all our activities since 2006. The training will be held on a pitch of exceptional quality, directly next to the AFAS Stadium. When finished, everybody goes back to the dressingroom, which is normally used for the players of our first team.

Our guide will take you on a tour to see all the highlights of the AFAS Stadium. Have lunch where our players have their lunch, relax where our players relax and live like one of our players.

AFAS Trainings Facilities

Since the opening of our new training facilities in Wijdewormer, about half an hour from our stadium, our youth academy is located at the same location as the training facilities for our first team. Your group can be a part of the academy for a day. Lunch is served with a view on the pitch, and a guide will show you the highlights of the AFAS Trainings Facilities.
