ACADEMY Program Rules

ACADEMY entries CLOSE AT 4:00 PM on FRIDAY. Non-Championship classes will be split if there are more than TWELVE total entries (or based on Management discretion). CHAMPIONSHIP classes may or may not be split (based on class size). Any class SPLITS will be posted IN THE SHOW OFFICE by FRIDAY EVENING.

1. Academy classes are open to mares and geldings of any equine breed, registered or non-registered, including ponies and miniature horses (Stallions of any breed are prohibited from showing in Academy classes).
2. To show in the Academy division, horses and ponies DO NOT have to be used in professional riding program, but they MUST display the characteristics and manners of a horse capable of being safely used in a supervised lesson scenario.
3. In order for an Academy horse to be eligible to show at the Academy National Championships, that horse or pony MUST be currently utilized in a public or private riding lesson program (per Academy National Rules and Requirements).
4. In Academy classes, ONLY the rider, driver or handler is to be judged. The quality or soundness of the Academy horse or pony is not to be a determining factor in judging of the class. The following Academy divisions may be offered, with

age-splits as deemed appropriate by horse show management:

Academy Equitation Classes – RIDER is to be judged on their basic equitation posture and skills, including the correct use of reins, aids, diagonals, and leads, at a beginning rider level.

Academy Showmanship Classes – RIDER is to be judged on horsemanship and showmanship skills, including control of the horse and ability to transition the horse correctly into its proper gaits. Ability to walk the horse and execute correct canter leads will be judged, as well as ability to manage speed, collection and ring placement.

Academy Driving Classes – DRIVER is to be judged on his/her ability to manage the horse or pony in the ring and show at the walk, trot and reverse (backing is not required). Division is open to any amateur driver who has never shown in a recognized competitive driving event. An Academy Driver may cross-enter under saddle Academy classes at the same show if other eligibility requirements are met.

Academy In-Hand Classes – The HANDLER is to be judged on horsemanship, showmanship, and appropriate handling and turn-out of both horse and handler, based on breed-specific in-hand guidelines.

Academy “Show Rider” Classes – Advanced classes may be offered for ANY age Amateur/Juvenile rider that is enrolled in a professionally-operated riding lesson program. Show Riders must show with lesson-program horses, but MAY cross-enter as eligible into regular performance divisions at the same show.

5. **SAFETY** in the Academy division is paramount - At the discretion of the Judge or Ringmaster, any rider deemed to be too inexperienced, or mounted on a horse that is considered to be un-safe, will be excused from the show ring.
6. **IMPORTANT** - All Academy riders and drivers aged 17 and Under **MUST** wear a helmet on the grounds and in the ring.
7. Absolutely **NO** whips, plastic bags, noise or other attention-getting devices are allowed in warm-up or show ring areas or when riders are in the ring for Academy classes.
8. Academy exhibitors may show in regular In-Hand or Halter classes at the same show, without being ruled ineligible for Academy riding and driving classes.
9. Riders who have been judged in a Non-Academy performance or equitation class at ANY prior show may not return to the Academy Division during that same show season, and Riders who have cantered in any prior show class are **NO LONGER ELIGIBLE** to enter Walk & Trot Only Academy classes.
10. **ACADEMY RIDERS** are eligible to **CROSS-ENTER** and **EARN POINTS** in 4-H SPECIFIED CLASSES at **RECOGNIZED 4-H SHOWS** (IF they meet all 4-H and Academy eligibility requirements).

The All Glory Project – an Overview

The **All Glory Project** seeks to promote, foster and support programs and institutions that utilize animal-assisted, art-based, and other adjunct therapies in aiding military veterans and their families. We are a national 501c3 public charity, a campaign of consciousness to THANK our heroes, human and animal alike, as well as their families.

We help therapeutic centers to initiate and expand programs for all those affected by military service, and we support efforts to increase public awareness and industry research about the powers of these forms of therapy all across the USA.

The goal of The All Glory Project is to bring individuals, groups and industries together to increase the availability, efficacy and viability of these much-needed programs. We raise public awareness, funds and involvement in a form of therapy that has a rich history and scientific validity.

Through The All Glory Project, a wide array of personalities, professionals, organizations and corporations have donated their time, funding and resources, such as: sculptor Douwe Blumberg, extreme horseman legend Tommie Turvey, the UPHA and the Southern California Reigned Horse Association, Breyer Model Horses, Wells Fargo Financial, W.G. Young (Absorbine), Moxie Equestrian Apparel... the list goes on.

By the Numbers: In the past nine years, The All Glory Project has directly supported therapy sessions for over 1,000 veterans and their family members, and indirectly supported countless more through our education and awareness activities. Since our inception, over 90% of our approximately \$300,000 in revenues have gone to the direct support of therapy program delivery and awareness/education. We have supported therapy programming and events in fifteen states and the District of Columbia, and we continue to expand.

“All Glory to the Souls that serve, human and animal alike.” ~ Elizabeth Shatner

Requests for specific barns or stalls will be considered but are not guaranteed. **NO initial bedding** will be supplied.

Any fines assessed by the Horse Park to the Show (which may be **up to \$500**) for stable reconfiguration or clean-up will be billed to the stall renter of record.

HORSES: All horses must be serviceably sound. In case of suspected unsoundness, the judge may, if he so desires, have the horse examined by the show veterinarian, and his or her decision will be final. No Exhibitor may use a veterinarian statement to contradict the judge's decision.

SHOW RING: No person or animal will be allowed in the show ring during the time of judging except the exhibitors and those having official duties to perform. No horse, rider or driver will be allowed in the show ring except at such hours as posted in the show office.

RING PROCEDURES: The gate to the show ring will remain open for **two (2) minutes** after the first horse enters the ring, after which the gate will be closed. Any exhibitor not in the ring by that time will not be admitted. Please cooperate by being on time. All riders, drivers, attendants, and grooms shall be neatly and appropriately dressed upon entering warm up areas and show ring.

DISCOURTESY: ANY act of discourtesy or disobedience to the judge, officials, or other exhibitors, on the part of the owner, trainer, manager, rider, driver, or groom shall be grounds to disqualify the horse or rider, and the owner shall forfeit his entry and all other fees, as well as any prize money won. In the case of such disqualification, the winner of the next succeeding prize in that class shall receive the prize that had been awarded the disqualified exhibitor.

CAMPERS: Camper and RV hookups are available and reservations may be made with entries or by sending an email note to lori.schmidt@outlook.com in advance with RV details and hook-up requirements. PLEASE check in at Horse Show Office or with the GROUNDS MANAGER upon arrival. If you are arriving after office hours electrical boxes may not be open - you will need assistance!

PETS: Pets are allowed on the show grounds and in the stables but must remain contained or on a leash at all times, which is the pet owner's full and sole responsibility.

DISPUTES: Should any question arise that is not provided for in these rules, it shall be referred to the SHOW MANAGER for answer or resolution. The decision of the Show Manager shall be final.

LIABILITY: Neither the Southeastern Charity Horse Show, the American Saddlebred Horse Association of Georgia, the Show Chairmen, Show Manager, the Georgia International Horse Park, nor any official, contractor, volunteer or sponsor will be responsible for any accident which may occur to any owner, rider, driver, groom, attendant, animal, or equipment at the show.
