Pro-Am Benefit Ride-for-Charity

“The All Glory Project”

The **Pro-Am Benefit Ride-for-Charity** is a way for Barn Members to work together for both **FUN** and **CHARITY**! Eligible to **ANY** Breed in **ANY** discipline, your **TEAM GOAL** is to collect as many donations as possible by Friday night.

Entry Fee is your donations, and each rider entered will be provided with an “All Glory” Tee Shirt – Show attire is not needed! Professionals will ride first (walk and trot or favorite gait), then amateurs will mount and ride the second way.

Best-in-Class titles and very special ribbons are awarded to two Teams for the “**GREATEST CONTRIBUTION**” and the “**BEST PERFORMANCE**”.

Show your Barn Spirit, HAVE FUN gathering donations, and ENJOY the RIDE – while benefiting a worthy equine-related cause!

The **All Glory Project** promotes, fosters and supports programs and institutions that utilize animal-assisted, art-based, and other adjunct therapies in aiding military veterans and their families. We are a national 501c3 public charity, a campaign of consciousness to THANK our heroes, human and animal alike, and their families.

We help therapeutic centers to initiate and expand programs for all those affected by military service, and we support efforts to increase public awareness and industry research about the powers of these forms of therapy.

The goal of The All Glory Project is to bring individuals, groups and industries together to increase availability, efficacy and viability of these much-needed equine-therapy and veteran assistance programs.

To date the All Glory Project has funded therapy sessions for over 1,000 veterans and family members, and indirectly supported countless more through education and awareness activities. Over 90% of our over \$300,000 in revenues have gone to the direct support of therapy program delivery and awareness/education. We have supported programs/events in fifteen states and the District of Columbia, and we continue to expand.

Supporting animal-assisted therapies for our military veterans and their families, one person, one community at a time.

ACADEMY Program Notes and Rules

ACADEMY entries CLOSE AT 7:00 PM on FRIDAY. Non-Championship classes will be split if there are more than TWELVE total entries (or based on Management discretion). CHAMPIONSHIP classes may or may not be split (based on class size). Any class SPLITS will be posted IN THE SHOW OFFICE by FRIDAY EVENING.

- Academy classes are open to mares and geldings of ANY equine breed, registered or non-registered, including drafts, ponies and miniature horses (Stallions of any breed are prohibited from showing in Academy classes).
- To show in the Academy division, horses and ponies DO NOT have to be used in professional riding program, but they MUST display the characteristics and manners of a horse capable of being safely used in a supervised lesson scenario.
- Show Horses MAY be used in LEAD LINE classes but must be able to stand quietly and be led calmly at a FLAT walk.
- In order for an Academy horse to be eligible to show at the Academy National Championships, that horse or pony MUST be currently utilized in a public or private riding lesson program (per Academy National Rules and Requirements).
- In Academy classes, ONLY the rider, driver or handler is to be judged. The quality or soundness of the Academy horse or pony is not to be a determining factor in judging of the class. The following Academy divisions may be offered, with age-splits as deemed appropriate by horse show management:

Academy Equitation Classes – RIDER is to be judged on their basic equitation posture and skills, including the correct use of reins, aids, diagonals, and leads, at a beginning rider level.

Academy Showmanship Classes – RIDER is to be judged on horsemanship and showmanship skills, such as control of the horse and ability to transition the horse correctly into its proper gaits. Ability to walk the horse and execute correct canter leads will be judged, as well as ability to manage speed, collection and ring placement.

Academy Driving Classes – DRIVER is to be judged on his/her ability to manage the horse or pony in the ring and show at the walk, trot and reverse (backing is not required). Division is open to any amateur driver who has never shown in a recognized competitive driving event. An Academy Driver may cross-enter under saddle Academy classes at the same show if other eligibility requirements are met.

Academy In-Hand Classes – The HANDLER is to be judged on horsemanship, showmanship, and appropriate handling and turn-out of both horse and handler, based on breed-specific in-hand guidelines.

Academy “Show Rider” Classes – Advanced classes may be offered for ANY age Amateur/Juvenile rider that is enrolled in a professionally-operated riding lesson program. Show Riders must show with lesson-program horses, but MAY cross-enter as eligible into regular performance divisions at the same show.

- **SAFETY** in the Academy division is paramount - At the discretion of the Judge or Ringmaster, any rider deemed to be too inexperienced, or mounted on a horse that is considered to be un-safe, will be excused from the show ring.
- **IMPORTANT** - All Academy riders and drivers aged 17 and Under MUST wear a helmet on the grounds and in the ring.
- Absolutely NO whips, plastic bags, noise or other attention-getting devices are allowed in warm-up or show ring areas or when riders are in the ring for Academy classes.
- Academy exhibitors may show in regular In-Hand or Halter classes at the same show, without being ruled ineligible for Academy riding and driving classes.
- Riders who have been judged in any Non-Academy class at ANY prior show may not return to the Academy Division during that same season. Riders who have cantered in any prior show class are NO LONGER ELIGIBLE to enter Walk & Trot Only Academy classes.

Any fines assessed by the Horse Park to the Show (which may be **up to \$500**) for stable reconfiguration or clean-up will be billed to the stall renter of record.

HORSES: All horses must be serviceably sound. In case of suspected unsoundness, the judge may, if he so desires, have the horse examined by the show veterinarian, and his or her decision will be final. No Exhibitor may use a veterinarian statement to contradict the judge's decision.
