

The Art Oasis – Mobile Paint Parties How it Works: Team Building

(Staff development for Small Businesses.)

Would you like to unborify your professional development training? Ditch the Power Points and the PDFs and infuse some fun into your team building!

Our fun and fabulous Paint Experiences are a perfect way to unify & inspire your staff. We make it as easy as possible to plan, with three options: an in-person session, DIY paint kits or an online remote session (live or pre-recorded.)

For an in-person session, all we need is a space with decent lighting, tables and chairs, to set up for your staff, and assistance in sending the invitations for your event. We do the rest.

We work with you to select a date/time that works best, and a design and project that you and your staff will love. We offer individual OR collaborative art projects. We have a huge catalog of several hundred licensed and original designs for every theme, occasion and season. These can be painted on canvas, glass, ceramic or wood. Almost any desogn can be made into a collaborative project.

Visit our [Look Books](#) page to see some samples and ideas.

Beginners are ALWAYS welcome! We guide the project and help painters as little or as much as they want. Your staff members have full control over their design selection and creation at all times. We focus on the fun, creative and collaborative aspects of making art, rather than creating “fine art” pieces.

We purchase and prep supplies. Our canvases come pre-traced, and other projects prepped, and paint is prepared prior to staff arriving so we can just make a few introductions and get right to painting! We can work with groups of 10 up to 100+.

We set everything up, including table covers, lead the project, and clean it up when finished. Depending on the project, our live in-person sessions last about two hours with an hour set up and half hour clean up depending on the project and number of painters joining us.

We bring a bucket to dump paint water into and take it with us to dispose of. We bring our own trash bags and take the trash with us when we leave.

We generally don't supply food or beverages, however you are free to put out light snacks and refreshments for your staff if you wish or encourage them to bring a snack to share!

A small 8 x 10 canvas with a simple design can be painted in about 1 - 1.5 hours and runs \$35/person - all supplies and instruction included. A larger canvas, wood or ceramic piece would need more time and be slightly higher in pricing. Our basic "go-to project is an 11 x 14 or canvas that takes about 2 hours and runs \$45 per person.

For guided in-person sessions, once your date and design are selected, we will take a non-refundable deposit of \$100 to hold your reservation. We need to receive this within 3 business days of initial free consultation to guarantee your date.

We then provide you a link for you to either send to your staff to register and pay for their seat, OR we send you a link to pay for your staff once you get a final head count. All balances and final payments are due no less than 10 days prior to the event to ensure arrival and proper preparation of supplies. (If its around holiday time, we may need a longer lead time for supply prep so other arrangements may need to made.)

If you prefer to purchase Our Creative Caravan Kits To Go – and do it “DIY” style, in your office,store or on video conference, we would be happy to assist you with your order by e-mail or over the phone. We can customize a theme for your business, or personalize the projects for each staff member.

We deliver your kits locally (within 20 miles of Quakertown, PA – 18951) for a flat fee of \$8 - or ship them to you at Postal Service Shipping rates (based on size & weight of package.) . You can also arrange to pick up from us at no additional charge.

We have a \$225 minimum on live, in-person staff training. There is no minimum for Art Kits, but if you order 12 or more, a 10% discount will apply.

If a staff member cannot attend we can leave a supply kit and instructions with you for them to pickup.

We can schedule a "one and done" event, or a seasonal/monthly event or special occasion, whatever would work best for you and your staff. Let us know your ideas and your questions! We'd love to work with you!
